## **Strategic War Termination:**

**Conflict Termination And Military Strategy** Stephen J. Cimbala,2019-04-10 Although considerable attention has been paid to deterrence theory and crisis management the equally important topic of ending wars has been virtually ignored Conflict termination is the stepchild of U S strategy for a number of reasons Thinking about how wars should end presupposes acceptance of the fact that war especially nuclear war is possible Further analyzing options for ending conflicts implies less than total victory a concept that not only runs counter to the U S approach to warfare but also raises the specter of limited war an approach that fell into disfavor following Korea and Vietnam Finally defining conflict termination objectives assumes that we think more about ends than means that we know what is important to us and why and thus understand the risks we will accept to defend specific interests and objectives The contributors examine a wide variety of topics ranging from Soviet and U S views on conflict termination to past present and future U S military service contributions Their aim is to demonstrate the importance of careful evaluation of conflict termination goals during peacetime because when war begins passions and emotions will cloud decisionmaking Confrontation, Strategy and War Termination Christopher Tuck,2016-05-23 At the heart of this book is the problem of war termination Britain won an almost unbroken string of tactical military victories during an undeclared war against the Republic of Indonesia in the 1960s yet it proved difficult to translate this into strategic success Using conflict termination theories this book argues that British strategy during Confrontation was both exemplary and flawed both of which need not be mutually exclusive The British experience in Indonesia represents an illuminating case study of the difficulties associated with strategy and the successful termination of conflicts The value of this book lies in two areas as a contribution to the literature on British counter insurgency operations and as a contribution to the debates on the problems of war termination in the context of strategic thought **Confrontation, Strategy and War Termination** Dr Christopher Tuck,2013-03-28 At the heart of this book is the problem of war termination Britain won an almost unbroken string of tactical military victories during an undeclared war against the Republic of Indonesia in the 1960s yet it proved difficult to translate this into strategic success Using conflict termination theories this book argues that British strategy during Confrontation was both exemplary and flawed both of which need not be mutually exclusive The British experience in Indonesia represents an illuminating case study of the difficulties associated with strategy and the successful termination of conflicts The value of this book lies in two areas as a contribution to the literature on British counter insurgency operations and as a contribution to the debates on the problems of war termination in the context of strategic thought **Beyond Guns and Steel** Dominic J. Caraccilo,2011-01-19 This work is a doctrinal examination of war termination strategy and conflict resolution as a dependent pair requiring a plan to achieve both in unison in advance of a fight The necessity of a plan for conflict resolution should be intuitively obvious for policymakers yet a survey of recent conflicts including Afghanistan and Iraq shows that not to be the case Beyond Guns and Steel A War Termination Strategy

provides a practical approach to establishing a plan for war termination and conflict resolution before the bullets fly In explaining the difference between strategy and policy Colonel Dominic J Caraccilo clarifies the most important and often the most constraining element of a nation s power its resources He posits that termination strategy and conflict resolution are interdependent and need to be included in conflict plans from the outset Caraccilo s book fills a void in current strategy for the development of long term plans that bring conflicts to timely and acceptable conclusions providing a methodology that allows interagency requirements and resources for war termination to be defined allocated and employed effectively

Strategic War Termination Stephen J. Cimbala,1986-11-18 The first book to analyze strategic war termination from a policy perspective Strategic War Termination explores present US policy on termination and recommends strategies for improving it Taking into account the impact of new weapons technologies adversaries expectations and counter command attacks this unique work examines methods for deterrence of global protracted and nuclear wars as well as the conduct and termination of them Timely and provocative Strategic War Termination explains what policy is and should be on this pressing subject

**War Termination Concepts and Political, Economic and Military Targeting** James E. Dornan,1978

**Ending the U.S. War in Iraq** Richard R. Jr. Brennan,Charles P. Ries,Larry Hanauer,Ben Connable,Terrence K. Kelly,2013-11-05 Ending the U S war in Iraq required redeploying 100 000 military and civilian personnel handing off responsibility for 431 activities to the Iraqi government U S embassy USCENTCOM or other U S government entities and moving or transferring ownership of over a million pieces of property in accordance with U S and Iraqi laws national policy and DoD requirements This book examines the planning and execution of this transition

Ending a Nuclear War Stephen J. Cimbala,Joseph D. Douglass,1988 If we are ever to fight WWII how do we end it if it should go nuclear As an investigation of command structures communications a divergent attitude this volume has merit However if nuclear war breaks out deterrence has failed and rationality is lost To assume a rational conclusion to an irrational act is tragically humorous

Annotation copyrighted by Book News Inc Portland OR *Why America Loses Wars* Donald Stoker,2019-08-29 This provocative challenge to US policy and strategy maintains that America endures endless wars because its leaders no longer know how to think about war

**Essays on Strategy** John N. Petrie,1996-06 Spans a broad horizon of strategic topics the use of sanctions the relationship with the U N and the more subtle changes and responsibilities facing our Operational Commanders Contents failed U S China Policy America s Asia Policy U S Post Cold War Policy U S Security in the 21st Century Deficits Restructuring the Military Planning for War Termination Planning for CNN Wars expanding our vision of jointness military theory and peace operations the U S dilemma in peace operations and change and the operation commander

**Deciding on Defeat** Soul Park,2015 Strategic Antisubmarine Warfare and Naval Strategy Tom Stefanick,1987

**Conflict Termination in Europe** Stephen J. Cimbala,1990-10-30 An important contribution to the international relations and military studies literature this study considers the problem of conflict termination in Europe an

area of immense strategic importance to both the United States and the Soviet Union. The author argues that a well thought out policy for conflict termination is lacking within the NATO alliance which currently relies almost exclusively on policies that emphasize the prevention of war. This lack of a conflict termination strategy, Cimbala asserts, leaves nations open to the danger of a quickly escalating nuclear conflict should prevention policies fail and a war in Europe actually occur. In developing his arguments, Cimbala considers the relationship between war and politics as perceived by Soviet and Western planners, compares the superpowers' likely views on the process of escalation, and assesses the command control and communications perspectives implicit in Soviet and American writings and deployments and their implications for war termination. Cimbala begins with an overview of the problems and choices involved in ending war in Europe under contemporary conditions. Subsequent chapters examine such topics as the philosophical and practical issues related to the problem of preemption, the problem of military stability and its specific applications to modern Europe, and Western and Soviet approaches to the escalation and limitation of war. Soviet perspectives on command and control, as well as the Soviet view of war termination, receive extended treatment in two chapters. Finally, Cimbala contrasts the orthodox view of mutual assured destruction with the strategic revisionism of defense dominance or mutual assured survival. He concludes that policymakers and military planners must recognize that nuclear weapons will almost certainly be a part of any war in Europe and that termination must focus on limiting the use of these weapons before the pressures of in-the-field escalation tendencies begin to work against the early conclusion of a conflict. Students and scholars of military policy will find Cimbala's work enlightening and provocative reading.

**The Strategy of Endings** Philip Douglas Brick, 1990

**War Termination: A Bridge Too Short: Considerations for the Operational Commander**, 1997

War termination strategies are not an issue of whether or not the nation should devote sufficient military means to achieve the chosen political objectives. Conflict termination involves more than simply ending hostilities. It is a matter of effective coordination in development of objectives and strategies while at the same time linking the political leadership and the military commander to achieve the ends with the appropriate means. The American approach to military strategy has had a tendency to sever the links between military action and political objectives, and American military strategy has largely been awkward in its contribution towards achieving a better and lasting peace. This is in part due to having insufficient doctrinal guidance to achieve the ends as described by the policy maker. It is also because current doctrine and policy does not cause us to think through the implications of successfully achieving our objectives. The operational commander must be skilled in maintaining a balance of military force and diplomatic initiation to preserve and reinforce our political objectives while at the same time working the concerns of a defeated enemy or enemies to prohibit part two of the same conflict.

**Victory in Europe, 1945** Arnold A. Offner, Theodore A. Wilson, 2000

In this collection senior scholars explore the transition from war to uneasy peace, how and why the war ended as it did, whether a different resolution was possible, and if the ensuing Cold War was inevitable.

*NATO Strategy and*

*Nuclear Escalation* Stephen J. Cimbala, 1989 In this analysis of key doctrines plans and policies at the centre of the controversy about Western deterrence and defence the author points to doctrinal deficiencies and examines NATO ideas on escalation and policy in terms of both logical consistency and implication for strategy

**War Termination** William J. Lademan, Naval War College (U.S.), 1988

*First Strike Stability* Stephen J. Cimbala, 1990-08-24 The lifting of the Iron Curtain in response to pressures for democratic reform in the Eastern Bloc nations and the refusal of General Secretary Mikhail Gorbachev to use the Red Army to police countries of the Warsaw Pact have led to a radically changed international environment Preceded by over 40 years of peace and stability unprecedented in the history of modern Europe the Cold War ended in a climate of upheaval and uncertainty This volume addresses issues associated with the political and military vacuum created by recent events and explores in depth a problem of military uncertainty first strike stability Stephen J Cimbala argues that war in a system undergoing rapid change including reductions in forces and political realignment remains disturbingly possible due to the unforeseeable inadvertent and uncontrollable uncertainties that plague decision making and military planning in Washington Moscow and other international power centers hence first strike instability This timely volume clarifies the kind of bargain superpowers and their allies have made in regard to nuclear weapons and command systems Cimbala provides enhanced understandings of the concept and practice of nuclear deterrence and of first strike stability in a post Cold War world that can help direct arms control efforts toward those areas that are most important to actual security Broad aspects of the problem of first strike stability are set forth in the first chapter which also anticipates some of the connections between political and military levels of analysis discussed in the conclusion Chapter two introduces the concepts of the state of nature and the state of war explains how they apply to the problem of first strike stability and why the possibility of war including nuclear war cannot be excluded Chapter three focuses on the New Soviet Thinking and why the probability of accidental and inadvertent war and escalation is not affected by reducing the levels of armaments alone Chapter four emphasizes the problems facing the United States and NATO and the approaches to escalation control which NATO assumes will be implemented should deterrence fail The results of the theoretical and administrative confusion over approaches to escalation control outlined in chapter four reappear in chapter five in the form of problems for war termination The controversial issue of eliminating nuclear deterrence with emphasis on the proposal for elimination by preclusive antinuclear strategic defenses is the focus of chapter six The final chapter reviews the implications of the preceding chapters and arrives at some startling conclusions Scholars and students of military affairs political scientists government officials and members of the military establishment will find the up to the minute information and judgements contained in *First Strike Stability* invaluable aids to their own decision making on this profoundly important world issue

Strategy After Deterrence Stephen J. Cimbala, 1991-01-30 The profound political changes in the USSR and Eastern Europe during 1989 have forced the United States and its Western European allies to reevaluate both their long held military

strategy of nuclear deterrence and the traditional role of NATO in European affairs In this volume Stephen Cimbala considers the ways in which American military priorities will have to change now that the tangible threat to Europe has been removed exploring the options available to America and NATO given the new political and economic realities in Europe and the Soviet Union Drawing upon a rich literature of Soviet and American defense strategy Cimbala examines the structure and effectiveness of deterrence as a military strategy the relationship between conventional and nuclear weapons the likely course of future conflicts and alternative military strategies Following an introductory chapter which defines the concepts of deterrence and dissuasion and offers an overview of the changing character of European politics Cimbala reviews the political context for the development of military strategy in Europe Subsequent chapters consider the relationship between military stability and the likelihood of winning wars in their initial stages analyze the issue of deterrence during war discuss the potential for atypical wars in the future and investigate the linkages between deception and deterrence A separate chapter addresses the attempt to substitute non nuclear dissuasion for nuclear deterrence in the form of anti nuclear strategic defenses which could defeat nuclear offenses In the final chapter Cimbala summarizes his conclusions and makes some additional observations about the implications of our new view of NATO and deterrence Students of international relations foreign policy and military studies will find Cimbala s work enlightening and provocative reading

Getting the books **Strategic War Termination** now is not type of inspiring means. You could not solitary going subsequent to book heap or library or borrowing from your links to entrance them. This is an utterly easy means to specifically acquire guide by on-line. This online revelation Strategic War Termination can be one of the options to accompany you bearing in mind having new time.

It will not waste your time. say yes me, the e-book will unquestionably impression you extra concern to read. Just invest tiny mature to get into this on-line pronouncement **Strategic War Termination** as competently as evaluation them wherever you are now.

### **Strategic War Termination Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Strategic War Termination has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Strategic War Termination has opened up a world of possibilities. Downloading Strategic War Termination provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Strategic War Termination has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Strategic War Termination. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Strategic War Termination. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Strategic War Termination, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Strategic War

Termination has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Strategic War Termination Books

1. Where can I buy Strategic War Termination books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Strategic War Termination book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Strategic War Termination books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Strategic War Termination audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Strategic War Termination books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
