The Oxford Handbook of Dance and Theater Nadine George-Graves, 2015 This handbook brings together genres aesthetics cultural practices and historical movements that provide insight into humanist concerns at the crossroads of dance and theatre broadening the horizons of scholarship in the performing arts and moving the fields closer together *Streb* Elizabeth Streb, 2010-04-01 An inspiring memoir and self help guide to greatness by the dancer Mikhail Baryshnikov calls fearlessness and intelligence combined potent and beautiful Called the Evel Knievel of Dance Elizabeth Streb has been pushing boundaries and testing the potential of the human body since childhood Can she fly Can she run up walls Can she break through glass How fast can she go With clarity and humor and with her internationally renowned dance troupe STREB she continues to investigate what movement truly is and has come to these conclusions It s off the ground It creates impact And it hurts trying to stop Here Streb combines memoir and analysis to convey how she became an extreme action dancer and choreographer developing a form of movement that s more NASCAR than modern dance more boxing than ballet and more than most people can handle in this dizzying inspirational self help books Publishers Weekly starred review The Tail of the Dragon Marcia B. Siegel, 1991 In The Tail of the Dragon Marcia B Siegel and Nathaniel Tileston track the evolution of new dance in New York during the rich and crucial transitional period from the mid 1970s to the early 1980s Siegel one of America s most important dance critics and Tileston an accomplished dance photographer focus on the choreographers who were propelled into rebellion against conventional modern dance by the Judson Dance Theater and other countercultural movements born of the 1960s This collection of Siegel s writing compiled from reviews in Soho Weekly News and New York Magazine as well as from longer essays and notebook pieces forms an insightful commentary occasionally wry always perceptive on the absorption of a radical art form by the mainstream From minimalism improvisation street dancing body awareness and poor theater experimental strategies these young rebels identified and adopted personal styles of movement and dancemaking from that they turned gradually to tamer more accessible work marked by virtuosic dancing proscenium ready repertoires and touring companies Included in this story are the principal players in the postmodernist dance movement Merce Cunningham Twyla Tharp Trisha Brown David Gordon now well known internationally as leaders of dance in the 1990s Siegel also looks at artists who worked steadily but less visibly influential ones who drifted out of dance and unknowns who have gained prominence The dances described here are formal and outlandish scruffy and beautiful endearingly fallible and icily perfect In rightfully celebrating the importance of dances long forgotten The Tail of the Dragon produces a vibrant portrait of a generation of dance **Choreographing Difference** Ann Cooper Albright, 2010-06-01 The choreographies of Bill T Jones Cleveland Ballet Dancing Wheels Zab Maboungou David Dorfman Marie Chouinard Jawole Willa Jo Zollar and others have helped establish dance as a crucial discourse of the 90s These dancers Ann Cooper Albright argues are asking the audience to see the body as a source of cultural identity a physical presence that moves with and

through its gendered racial and social meanings Through her articulate and nuanced analysis of contemporary choreography Albright shows how the dancing body shifts conventions of representation and provides a critical example of the dialectical relationship between cultures and the bodies that inhabit them As a dancer feminist and philosopher Albright turns to the material experience of bodies not just the body as a figure or metaphor to understand how cultural representation becomes embedded in the body In arguing for the intelligence of bodies Choreographing Difference is itself a testimonial giving voice to some important political moral and artistic questions of our time Ebook Edition Note All images have been redacted
