Very Red Life The Story Of Bill Walsh:

A Very Red Life Cy Gonick, Canadian Committee on Labour History, 2001 Bill Walsh began his career as an organizer for the Communist Party of Canada He led the drive to organize the rubber workers in Kitchener and subsequently the auto workers in Windsor He was jailed along with several hundred other Communists Upon his release Walsh fought overseas in Holland and Belgium After the war he took a staff position with the United Electrical Workers in Hamilton Revisiting Human Rights in Canadian History Jennifer Tunnicliffe, Stephanie Bangarth, 2025-11-13 Through insightful essays Revisiting Human Rights in Canadian History challenges the national myths that celebrate Canada's inclusivity frame this country as a global human rights leader and minimize persistent inequalities at home Contributors to this volume critically examine how Canadian citizens and governments have historically understood and mobilized human rights as well as who has fought for benefitted from and been excluded from them Spanning topics such as incarceration and criminalization women's rights labour movements Indigenous sovereignty grassroots activism immigration and foreign policy this collection reflects the diversity of research driving the rapidly developing field of human rights Both a timely intervention and call to mobilize for social justice Revisiting Human Rights in Canadian History offers a nuanced reassessment of Canada's history and historiography of human rights

Labour Goes to War Wendy Cuthbertson, 2012-06-15 During the Second World War the Congress of Industrial Organizations in Canada grew from a handful of members to more than a quarter million and from political insignificance to a position of influence in the emergence of the welfare state What was it about the good war that brought about this phenomenal growth Labour Goes to War analyzes the organizing strategies of the CIO during the war to show that both cultural and economic forces were at work Labour shortages gave workers greater power in the workplace and increased their militancy But workers patriotism their ties to those on active service and allegiance to the people's war also contributed to the CIO's growth and to what it claimed for workers Drawing on a wealth of archival material Wendy Cuthbertson illuminates this complex wartime context She also shows how the complex often contradictory motives of workers during this period left the Canadian labour movement with an ambivalent progressive conservative legacy Secret Service Reginald Whitaker, Gregory S. Kealey, Andrew Parnaby, 2012-01-01 Drawing on previously classified government records the authors reveal that for over 150 years Canada has run spy operations largely hidden from public or parliamentary scrutiny complete with undercover agents secret sources agent provocateurs coded communications elaborate files and all the usual apparatus of deception and betrayal so familiar to fans of spy fiction As they argue what makes Canada unique among Western countries is its insistent focus of its surveillance inwards and usually against Canadian citizens

Our Union Jason Russell, 2011 The post war period witnessed dramatic changes in the lives of working class families Wages rose working hours were reduced pension plans and state social security measures offered greater protection against unemployment illness and old age the standard of living improved and women and members of immigrant communities

entered the labour market in growing numbers Existing studies of the post war period have focused above all on unions at the national and international levels on the post war settlement including the impact of Fordism and on the chiefly economic issues surrounding collective bargaining while relatively scant attention has been paid to the role of the union local in daily working class experience In *Our Union* Jason Russell argues that the union local as an institution of working class organization was a key agent for the Canadian working class as it sought to create a new place for itself in the decades following World War II Using UAW CAW Local 27 a broad based union in London Ontario as a case study he offers a ground level look at union membership including some of the social and political agendas that informed union activities As he writes in the introduction This book is as much an outgrowth of years of rank and file union activism as it is the result of academic curiosity Drawing on interviews with former members of UAW CAW Local 27 as well as on archival sources Russell offers a narrative that will speak not only to labour historians but to the people about whom they write [The Book Review Digest](#) ,2005 [America, History and Life](#) ,2007 Article abstracts and citations of reviews and dissertations covering the United States and Canada **Double Threat** Ellin Bessner,2019-01-24 He died so Jewry should suffer no more These words on a Canadian Jewish soldier s tombstone in Normandy inspired the author to explore the role of Canadian Jews in the war effort As PM Mackenzie King wrote in 1947 Jewish servicemen faced a double threat they were not only fighting against Fascism but for Jewish survival At the same time they encountered widespread antisemitism and the danger of being identified as Jews if captured Bessner conducted hundreds of interviews and extensive archival research to paint a complex picture of the 17 000 Canadian Jews about 10 per cent of the Jewish population in wartime Canada who chose to enlist including future Cabinet minister Barney Danson future game show host Monty Hall and comedians Wayne and Shuster Added to this fascinating account are Jews who were among the so called Zombies Canadians who were drafted but chose to serve at home the various perspectives of the Jewish community and the participation of Canadian Jewish women [Labour History Review](#) ,2006 **International Journal of Maritime History** ,2006 **Index de Périodiques Canadiens** ,2002 **Historical Studies in Industrial Relations** ,2004 [Labour History](#) ,2007 [Review - Fernand Braudel Center for the Study of Economies, Historical Systems, and Civilizations](#) Fernand Braudel Center for the Study of Economies, Historical Systems, and Civilizations,2004 *LLT* ,2003 **International Review of Social History** ,1956 **Telos** ,2001 **Histoire Sociale** ,2001 **International Labor and Working Class History** ,2003 **The Canadian Historical Review** ,2002
