Emotional Intelligence In Action Marcia Hughes,L. Bonita Patterson,James Bradford Terrell,2011-02-23 Emotional Intelligence in Action shows how to tap the power of EI through forty six exercises that can be used to build effective emotional skills and create real change The workouts are designed to align with the four leading emotional intelligence measures EQ I or EQ 360 ECI 360 MSCEIT and EQ Map or can be used independently or as part of a wider leadership and management development program All of the book s forty six exercises offer experiential learning scenarios that have been proven to enhance emotional intelligence competencies *Emotional Intelligence* Ryan James,2019-10-25 Feelings are what drives us in life We do what we do to change how we feel We buy a luxury car so that we can feel powerful and important Although you think you can do things to change or avoid feelings in truth you already possess those things for which you dream All you must do is gain awareness and change your perceptions **The Emotionally Strong Leader** Carolyn Stern,2022-10-04 The Emotionally Strong Leader offers those leading our workplaces organizations and institutions an opportunity to transform their leadership and their lives by learning to harness the power contained in recognizing and understanding their feelings For leaders managing their emotions and leading with a strong mind and a kind heart while using a set of clear simple and tested skills and strategies will enable them to connect more authentically and communicate more effectively with their colleagues and teams This kind of connection and communication creates an environment of trust and belonging that will spur engagement spike curiosity and engender fraternity in the workplace How does one get there By leading with emotional intelligence Unfortunately too many leaders choose another path one that eschews their emotions and those of their employees as bothersome and unimportant to the task at hand This limited and damaging viewpoint tends to make people feel as though they are simply task managing machines and not the terrific and complex individuals full of energy passion and unlimited potential that they are What we need are leaders who understand themselves from the inside out who know why they do what they do and who use the information their feelings provide to help them make informed rational decisions especially when the stakes are high We need leaders who express humility engage in genuine and caring conversations with the people they lead and who aren t afraid to admit when they make a mistake We need executives who

are both emotional and strong Author Carolyn Stern s six step self coaching model adapted from emotional intelligence courses she s developed for major universities and corporations across North America is backed by decades of field experience and top science on emotions and behavior Stern s model is the tool leaders need to uncover their barriers to growth and change set personal goals and tap into their motivation It will give them the means and drive to manage the hurdles life throws at them dramatically impacting their performance results and happiness Simply put The Emotionally Strong Leader will turn the way readers think about leading on its head
