

God's Love

I think God is the answer
Even though I cannot touch, taste, or smell
I have no other answer
No other beacon of knowledge
Of Peace

Then the Word of God
I know, I know, am I crazy
Maybe?

But what's crazier is relying on human-made coping
To occupy an aging body and mind
A mind undoubtedly in gradual decline

The Surrendered Self Romen Basu,1990 The Concept of Self-surrender in the Poetry of Newman and Hopkins Mary Antony Chemmamadiyil,1990 **The Poems of T. S. Eliot Volume I** T. S. Eliot,2015-11-17 Here for the first time is a fully scrutinized text of Eliot s poems carefully restoring accidental omissions and removing textual errors that have crept in over the full century in which Eliot has been so frequently printed and reprinted The edition also presents many poems from Eliot s youth which were published only decades later as well as others that saw only private circulation in his lifetime of which dozens are collected for the first time The first volume respects Eliot s decisions by opening with his Collected Poems 1909 1962 in the form in which he issued it shortly before his death fifty years ago There follow in this first volume the uncollected poems from his youth that he had chosen to publish along with such other poems as could be considered suitable for publication The Poems of T S Eliot is a work of enlightening scholarship that will delight and inform all those who read Eliot for pleasure as well as all those who read with pleasure and for study Here are a new accuracy and an unparalleled insight into the marvels and landmarks from The Love Song of J Alfred Prufrock and The Waste Land through to Four Quartets
