The Celtic Phoenix:

The Celtic Phoenix Dennis Frantsve,2004-10 A radical cell of the IRA Provos launches a conspiracy to form a Celtic Nation comprised of the Celtic areas in Europe plus Boston and Costa Rica Liam Murphy sets up a base in Boston under the guise of a Celtic Cultural organization and develops a cadre of leaders throughout the Celtic areas When the conspirators complete the organization they need to govern the Celtic areas they start planning how they will wrest control of these areas from their respective countries It becomes obvious that negotiations or military actions will not work They decide that only nuclear blackmail will succeed Iraq had secretly developed three nuclear weapons and Liam s group smuggles these weapons out of Iraq Lacking a delivery system the conspirators simply attach radio controlled detonators to the weapons and dump them into the sea off the coasts of France Spain America and England Once detonated these weapons would cause immense tidal waves wreaking havoc for several miles inland Federal Agent Angelo Spaziani is tasked with preventing this disaster

The Celtic Phoenix Kim Krisco,2018-11-08 An enigmatic jewelry case holding human remains arrives at the cottage of Sherlock Holmes enticing him from his retirement refuge in the Sussex Downs Holmes sets out on the trail of the murderer taunting him joining forces with one of his former Baker Street irregulars Tessa Wiggins The two find themselves battling forces arising from a time before England was a country when the Celts were fighting for survival Though set in 1919 The Celtic Phoenix is steeped in the enigmatic culture of the ancient Celts who reigned over much of Europe three thousand years ago It was a time when the bond with Nature was strong when people walked in the old ways and when women were the equals to men as warriors priests and poets The Celtic Phoenix is the journey of three women who rise from the ashes of their past like fearsome phoenixes and shake the rational foundations upon which Sherlock Holmes built his life and career

The Last of the Celts Marcus Tanner,2004-01-01 The author of Ireland s Holy Wars journeys through the Celtic world to discover the Celtic past and what remains of the authentic culture today discovering that Celtic revival is largely misplaced and that the threats to the world s Celtic communities and culture are relentless *Broken Irelands* Mary M.

McGlynn,2022-10-17 While the national narrative coming out of Ireland since the 2008 economic crisis has been relentlessly sanguine fiction has offered a more nuanced perspective from both well established and emerging authors In *Broken Irelands* McGlynn examines Irish fiction of the post crash era addressing the proliferation of writing that downplays realistic and grammatical coherence Noting that these traits have the effect of diminishing human agency blurring questions of responsibility and emphasizing emotion over rationality McGlynn argues that they reflect and respond to social and economic conditions during the global economic crisis and its aftermath of recession austerity and precarity Rather than focusing on overt discussions of the crash and recession McGlynn explores how the dominance of an economic worldview including a pervasive climate of financialized discourse shapes the way stories are told In the writing of such authors as Anne Enright Colum McCann Mike McCormack and Lisa McInerney McGlynn unpacks the ways that formal departures from realism

through grammatical asymmetries like unconventional verb tenses novel syntactic choices and reliance on sentence fragments align with a cultural moment shaped by feelings of impotence and rhetorics of personal responsibility
