The Carnation Tablet:

The Carnation Year Book ,1982 *SAM-TR.* ,1968-04 **Notices of Judgment Under the Food and Drugs Act**
United States. Food and Drug Administration,1925 The Carnation Tablet Irene Vosbikian,2001-07-31 A Young Woman
discovers a worn Carnation Writing Tablet in a trunk filled with memorabilia from her recently deceased mother It is a diary
of sorts daily letters written to her by her father killed in action in World War II When he learned that his wife was pregnant
the overtly emotional young man began writing letters to his unborn child Often he told her the frightening things he couldn't
tell his wife The letters ended abruptly less than one month before she was born Now some twenty five years later the
daughter discovers the tablet She knows that she has read it before when she was a child But why has this journal
disappeared for so many years Why and for how long has she forgotten it Why had all the other memories of her lost father
been stowed secretly away by her mother As the young woman reads on she falls in love all over again with the father she
had once known But the table unlocks much more than lost love It stirs up clouded memories of unspeakable things and
thrusts the young woman into a journey The journey ends in a startingly but strangely beautiful way A current of delicious
Italian American life flows throughout the novel as it skips from Philadelphia to New Mexico and on to the battlefields of
Europe Ultimately Mary Chiavo must confront the past and bring her journey to its closure The novel ends in Rimini Italy
with an encounter of shocking and bizarre proportions **Service and Regulatory Announcements** United States. Bureau
