Reading Specialist Troas Alexander's *A Cat's Tale* delightfully presents a lesson of responsibility and consequences parents often attempt to teach to children. I'm sure children who are read to or even older children who can read the story independently can relate to wanting to do what they want regardless of others. Young children who are accustomed to animated movies with animals will be drawn in by the adventures or rather misadventures of this willful cat. Troas Alexander's descriptions of living in HY Dees and the characters there were priceless. *A Cat's Tale* will cause many children to reflect on their own attitude and behavior relative to responsibility. The story brings smiles and chuckles. The characters and their names are colorfully depicted. Troas Alexander shows that lessons to be learned CAN be presented with humor and non-threateningly. Some children and adults have lessons to learn particularly in today's me culture. Audrey B Gilliam, Ed. D. Elementary School Educator. Troas Alexander presents a delightful entertaining experience through *A Cat's Tale*. The characters are exciting, creative, and realistic. The author excels in giving the reader's imagination a real workout. This story causes children to reflect upon their own views and actions relative to assuming responsibility, following rules, and treating others with respect and kindness. This is an excellent book to stimulate conversation between parent and child as well as teacher and student. Although written for children, adults too can relate to the sense of morality and ethics to which the book alludes. Evonne F. Blakey, Ph.D., Professor of Early Childhood and Elementary Education, retired, Chicago State University. Troas Alexander's *A Cat's Tale* is a story that provides suspense, laughter, and sheer entertainment. The excitement builds to a shocking crescendo with the surprise ending; it catches the reader off guard. The story is interesting, enjoyable, and provokes deeper thought to one's choices and life's outcomes. With or without illustrations, I believe that children's attention and imagination will be challenged. Reverend Esther J. Mitchell, Administrator, Principal, J. W. James Memorial Christian Academy.

A beautiful story unravels and we find out why there is no Year of the Cat and how the circle of years moves on. Told through pictures that are reminiscent of the ancient Chinese masters and yet boldly alive. **THE CAT'S TALE** is a stellar read aloud. *Cat Tales*, 1989.
