**The Chains of Albion** Edwin Thomas,2006      Chains Of Albion Edwin Thomas,2011-04-30 July 1806 Commanding a prison hulk full of French captives Lieutenant Martin Jerrold thinks his war can't get much better He's far away from the more life threatening aspects of naval service and he can keep his mistress close to hand It all seems too good to last And so it proves When one of the prisoners goes missing Jerrold's comfortable world is suddenly turned upside down Ordered by the First Lord of the Admiralty to recapture the Frenchman at any cost he finds himself racing across England from the stinking marshes of Chatham to the wilds of Dartmoor and the fashionable resort of Brighton But what makes this prisoner so damned important At the Post Office Jerrold's old friend Mr Nevell is curious so too are politicians from either side including the cunning Tory leader Spencer Perceval Even the seductive Princess Caroline takes an unexpected interest As Jerrold dogged by his usual bad timing bad luck and bad behaviour closes in on his elusive quarry he uncovers a devilish web of treachery and deceit stretching back twenty years and ensnaring the most exalted members of society And in hot pursuit are those who will stop at nothing to stop him      **The Chains of Albion** Edwin Thomas,2005      **The Liberation of Albion** William Blake,2023-01-06 Influenced by the visionary imagination of William Blake and the characters he created in *The Four Zoas* and *Jerusalem* *The Liberation of Albion* is both a theogony creation myth and tale of spiritual development An epic poem that both engages with the past and exists firmly within modernity the story follows the grand man Albion and the grand woman Jerusalem as their lives are touched by fate and they find themselves embroiled in the desires and whims of the gods When Albion is chained bound and laid low Jerusalem is left to face the world alone *The Liberation of Albion* seeks to reignite the imagination of modernity and reveal once more the intricate links between narrative meaning truth and beauty      Albion and Ierne Officer,1886      **The Objective Is Life** Christopher S. Arch,2011-05 In this companion book to *The Subject Was Death* Christopher Arch after impulsively stealing his father's car from a police impound lot with critical evidence in the trunk finds himself alone and in the middle of Kansas He is faced with an important decision Should he return home with the car and face the consequences or continue west to Denver and carry out his plan of raising money for his father Edgar who has been falsely arrested for attempted murder Christopher decides to go to his father's defense but once in Denver he becomes involved in some shady dealings While Edgar is languishing behind bars Christopher doesn't have enough money to hire a good criminal lawyer but he will do most anything to come up with the cash He meets a woman and believes they are destined for one another because he has been given the sign Christopher falls in love and thinks this is the real reason he has been lured to Denver Like the prodigal son he risks losing everything his wife children and home all because of a false signal Will Christopher make the right decisions after all About the Author Christopher S Arch is retired and lives in the Akron Ohio area He is inspired by F Scott Fitzgerald Ernest Hemingway Charles Dickens and the Apostle Paul He has finished writing his next two books Publisher's website <http://www.strategicpublishinggroup.com/title/TheObjectiveIsLife.html>      *Albion's People*
