themselves And what glorious fruit it is The fruit of the Spirit is love joy peace long suffering kindness goodness faith meekness self control and everlasting life See Galatians 5 22 6 8 Is there anyone that does not desire such fruit as this in their life and future Is not happiness itself bound up in these things And more is not the reading of the Bible the only hope of living forever For God has said This is life everlasting that they should know Thee the only true God and Jesus Christ whom Thou didst send And how shall they know Him Faith comes by hearing and hearing by the word of God The reading of the Bible is their only hope but it is a blessed hope indeed In providing this Bible for children our purpose has been to do our utmost toward giving the young people of our day the opportunity to have a good life here and a far better life hereafter There has never been a time when so much interest was shown in the welfare of our young people We see teeming Sunday Schools busy vacation Bible schools active child evangelism organizations and the most zealous effort to educate children ever mounted by the people of any society Yet with all this sincere and well directed effort one of the most important things of all has not been available until now the Bible in a language the child can read and understand Now for the first time in history these hard working loving people have a textbook from which to teach these young learners both grace and knowledge THE CHILDREN S KING JAMES BIBLE Why must they have the Bible in their own language Do we not go to great expense in our grade schools to provide textbooks which will teach our youth what they need to know quickly and fully Do we give them textbooks in adult language Of course not The what about the Book of books What about the knowledge of God Shall we continue to teach the most important subject of all in language the children do not understand What teacher wants to teach from a book which the children cannot even read for themselves But in this age of personal choice let the child tell you for themselves if they prefer to learn the words of life in language they can neither pronounce nor read nor understand Do not think that our children desire to be deprived of love peace joy kindness goodness faith and everlasting life No indeed they want to live life at its fullest Anyone who has ever looked into their intent eager young faces can tell you that they thirst for knowledge and they drink it in when they are taught in language they can understand Of course there is no greater knowledge no more desirable wisdom no sweeter joy than that of our God and Savior Jesus Christ Jay P Green Sr 1918 2008 is Translator and Editor of The Interlinear Hebrew Greek English Bible and the translator of the Modern King James Version of the Holy Bible The Teenage Version of the Holy Bible and the Literal translation of the Holy Bible He has written numerous books on textual criticism **Children's Catalog** H.W.
