The Emotional Intelligence Workbook: Teach Yourself Jill Dann, Derek Dann, 2015-09-10 Do you want to be able to persuade influence or empathise with people in any situation Do you want to be able to click with people instantly Do you want people to trust you This new Teach Yourself Workbook doesn't just tell you what emotional intelligence is It accompanies you every step of the way with diagnostic tools goal setting charts practical exercises and many more features ideal for people who want a more active style of learning The book starts by helping you identify the behaviours associated with emotional intelligence and whether you are currently doing them It then helps you set specific goals to improve on as you progress through the book you will be able to keep checking your progress against these goals Specially created exercises using the tools of NLP hypnotherapy and cognitive psychology will help you to boost your emotional intelligence so that you can reach your potential in any situation *Becoming Emotionally Intelligent 2nd Edition* Catherine Corrie, 2009-03-10 This book takes you on a journey through the theory and practice of Emotional Intelligence enabling you not only to use the powerful philosophy in your classroom practice but also in your life Catherine Corrie explains in a simple and practical way what Emotional Intelligence is and how it is an essential intelligence for people who work with others and want to have a really positive impact in their communities This new edition has been fully updated to include current practice the latest theory within the field and new ideas to use in the classroom This book provides practical activities to support the development of Emotional Intelligence and will support you in your endeavours **BOOK JACKET** **Leading in a Culture of Change Personal Action Guide and Workbook** Michael Fullan, 2003-12-05 *Leading in a Culture of Change* Personal Action Guide and Workbook is an essential companion to Michael Fullan's bestselling book *Leading in a Culture of Change* This practical guide is designed to help leaders in all sectors corporate education public and nonprofit manage and drive productive change within their organizations The workbook is filled with illustrative case examples exercises and resources that you can use with individuals or groups It will help you and any change agent integrate the five core competencies attending to a broader moral purpose keeping on top of the change process cultivating relationships sharing knowledge and setting a vision and context for creating coherence in organizations and empower you to deal with the issues of complex change **Developing Emotional Intelligence** Richard J. Bodine, Donna K. Crawford, 1999 This book is a call to educate rather than control It shows how to create a noncoercive behavior management program in which students learn to intentionally use their emotions to guide them in making responsible need fulfilling choices Covers areas such as learning interpersonal relationships problem solving and adapting to the complex demands of growth development and change The appendix presents seven lessons to give students a basic understanding of their behavior emphasizing that all behavior is purposeful and that all behavior is chosen **The Science of Emotional Intelligence** Gerald Matthews, Moshe Zeidner, Richard D. Roberts, 2007 During the past decade emotional intelligence has been subjected to both scientific and

public scrutiny Numerous articles have been published on the topic in both academic journals and the popular press testifying to the potential usefulness of emotional intelligence in psychology business education the home and the workplace However until now there has been no systematic synthesis that grounds emotional intelligence in contemporary theory while simultaneously sorting scientific approaches from popular fads and pseudoscience Bringing together leading international experts from a variety of sub disciplines this volume aims to integrate recent research on emotional intelligence The contributors address a set of focused questions concerning theory measures and applications How does emotional intelligence relate to personality What is the optimal approach to testing emotional intelligence How can emotional intelligence be trained In the final section of the book the volume editors distill and synthesize the main points made by these experts and set forth an agenda for building a science of emotional intelligence in the future Science of Emotional Intelligence will be an invaluable resource for researchers and professionals in psychology education the health sciences and business
