**Emotional Intelligence** Ryan James, 2018-04-18 Have you ever wondered why some people seem to get all the good things life offers while others stand on the sidelines and wonder why? Some people will tell you it's ambition, IQ, and position that determines life's outcomes. What if I told you there was something within each of us that promises greater happiness and success? It's called Emotional Intelligence, and it is available to you by simply reading this book and following the six steps presented in these pages. Feelings are what drives us in life. We do what we do to change how we feel. We buy a luxury car so that we can feel powerful and important. We lose weight so that we can feel beautiful and admired. Although you think you can do things to change or avoid feelings, in truth, you already possess those things for which you dream. All you must do is gain awareness and change your perceptions and act on the feelings that will give you greater Emotional Intelligence. It doesn't take wealth, beauty, or brains to increase your Emotional Intelligence. It takes awareness, knowledge, and practice, which won't cost you anything but a little time. So journey with me through the pages of this book and together let's discover how you can have all the good things life has to offer.

*RAISING AN EMOTIONALLY INTELLIGENT CHILD* Josh Deck, 2026-02-05 Raising an Emotionally Intelligent Child is a powerful, compassionate guide for parents, caregivers, and educators who want more than obedience, grades, or good behavior. They want emotionally healthy children who can understand themselves, regulate their feelings, and build meaningful relationships for life. In a world that prioritizes academic success but often ignores emotional development, this book shines a light on what truly shapes a child's future: emotional intelligence. Through relatable, real-life stories, practical strategies, and gentle guidance, Josh Deck shows how everyday parenting moments—tantrums, silence, frustration, tears, and conflicts—are actually opportunities to build resilience, empathy, and self-awareness. This book goes beyond theory; it helps you understand why children feel the way they do, how their emotional world differs from adults, and how your responses as a parent can either strengthen or silence their emotional growth. You'll learn how to create emotional safety at home, teach children to name and regulate big feelings, discipline without emotional harm, and raise children who communicate confidently and compassionately. Inside this book, you'll discover how to help children identify and express their emotions without fear or shame, turn emotional outbursts into teaching moments, build a home environment where children feel safe, seen, and heard, raise empathetic, resilient children in a digital and fast-paced world, guide toddlers, children, and teenagers through emotional challenges with confidence, heal your own emotional patterns while parenting with awareness, whether you're raising a toddler, navigating the emotional turbulence of teenage years, preparing for parenthood, teaching in a classroom, or healing your own inner child while guiding another. This book meets you where you are. Raising an Emotionally Intelligent Child is not about perfect parenting; it's about present parenting. It's about understanding emotions instead of suppressing them, connection instead of control, and guidance instead of punishment. The

greatest gift you can give a child isn't just education or discipline it's the ability to understand themselves and others This book shows you how
