Beyond the Binary: Imagining a World Without Gender M. Flores, 2024-11-05 Imagine waking up in a world where gender doesn't exist. No labels like he or she, no societal expectations about what men or women should do, no pink or blue divisions. Just people, unique, diverse, and free to express themselves however they want. This world feels a little different, right? In this ebook, we'll explore what life might look like if gender wasn't a thing, and we can dig into how this could shift everything from the way we love to the way we build careers, raise families, or just exist.

The Twenty-First Century: The World Without Russia Олег Арин/Алекс Бэттлер, In this book, Alex Battler questions the assertion of Russia's status as a great power in the acuminate form. The author reveals the contradictions between Russia's real modern potential and its foreign policy objectives formulated by official Moscow. The author has formulated laws on the Pole, the Center of Power, and Force. Battler introduces some new concepts of the Theory of International Relations: The Foreign Policy Potential of the State and The Law on the Optimal Balance Between the Costs of Domestic and Foreign Policy. On almost all problems raised by the author, his views do not coincide with generally accepted interpretations and approaches. The second extended edition of the book, *The Twenty-First Century: The World Without Russia*, includes updated copyright and newly added parts and paragraphs.

A World Without Police Geo Maher, 2021-08-24 If police are the problem, what's the solution? Tens of millions of people poured onto the streets for Black Lives Matter, bringing with them a wholly new idea of public safety, common security, and the delivery of justice, communicating that vision in the fiery vernacular of riot, rebellion, and protest. *A World Without Police* transcribes these new ideas, written in slogans and chants, over occupied bridges and hastily assembled barricades into a compelling, must-read manifesto for police abolition. Compellingly argued and lyrically charged, *A World Without Police* offers concrete strategies for confronting and breaking police power as a first step toward building community alternatives that make the police obsolete. Surveying the post-protest landscape in Minneapolis, Philadelphia, Chicago, and Oakland, as well as the people who have experimented with policing alternatives at a mass scale in Latin America, Maher details the institutions we can count on to deliver security without the disorganizing interventions of cops: neighborhood response networks, community-based restorative justice practices, democratically organized self-defense projects, and well-resourced social services. *A World Without Police* argues that abolition is not a distant dream or an unreachable horizon, but an attainable reality. In communities around the world, we are beginning to glimpse a real, lasting justice in which we keep us safe.

What Civilization Is Not Devajit Bhuyan, 2023-02-12 Civilization is in a race between education and catastrophe. Let us learn the truth and spread it as far and wide as our circumstances allow. For the truth is the greatest weapon we have. H. G. Wells. Whenever we speak about civilization, we understand it is a society characterized by the existence of the state that has developed culture, language, a writing system, books, currency, banking, trading, etc. Civilizations are additionally characterized by specialization of labor, agriculture, architecture, infrastructure, technological advancement, computers, internet.

destructive bombs and nuclear weapons The civilization that started with the discovery of fire wheel and agriculture started to move in the path of technological development with lightning speed since last part of the 20th Century However the age old mindset of people regarding war discrimination violence destruction and killing of people on flimsy grounds has not at all changed Technology is a double edged sword making and breaking civilization since time immemorial We have seen first and second world war but we have learnt no lesson from it Only love brotherhood and toleration can save our modern civilization not technology alone This book is written during Russia Ukraine to promote brotherhood and educate fellow human beings to take care of our present civilization and save it from destruction and annihilation like old civilizations Brahmanda Purana Vol 2 Bibek Debroy,2024-03-21 Among the eighteen classic Hindu texts called the Puranas the Brahmanda Purana recounts the stories and lores associated with Brahma the creator and one of the trinities of the supreme divinity along with Vishnu and Shiva A relatively early Purana its composition can be traced back to approximately 400 to 600 BCE predating many other Hindu texts While the first volume talks of the cosmology creation and geography the lineages of rishis and shraddha rites ending with Parashurama s stoory the highlight of volume 2 is its emphasis on Lalita s greatness the slaying of Bhandasura Madana s rebirth and the glory of Kamakshi Translated and annotated from the original Sanskrit by Bibek Debroy this edition of the Brahmanda Purana is a precious and rare volume for the lovers of Hindu mythology and religion This is the sixth volume in the Purana series the others include the Bhagavata Purana the Markandeya Purana the Brahma Purana Vishnu Purana and the Shiva Purana **Life** ,1890 Masques and Entertainments Ben Jonson,1890 An Illustrated and Popular Story of the World's First Parliament of Religions ... ,1893 *By and by* Edward Maitland,1875 **The Complete Works** John Bunyan,1877 **Old gems in a new setting** John A.
