FAIRY TALE

Retelling Project

Name: _____

Rewriting a Fairy Tale

Planning Sheet

Before you start an original writing, you'll need to brainstorm ideas and create a plan.

1 Which fairy tale will you be retelling?

2 From whose point-of-view will you be writing (who's the original villain)?

3 What information is incredibly important to writing a story forward. Think about the characters.

4 What information will you add or remove about this character to give a new voice to the story?

5 How do you already know about this character?

6 How might you change the story?

Fairy Tale Retelling Advanced Strategies:

50 Literacy Strategies for Culturally Responsive Teaching, K-8 Patricia Ruggiano Schmidt, Wen Ma, 2006-04-12

Make literacy meaningful in your classroom for students of all cultures Field tested for K 8 teachers this book introduces students to the cultural diversity in their own classroom communities through a wealth of teaching and learning strategies This resource celebrates awareness of individual ethnic cultural linguistic and economic diversity and addresses all aspects of studies within the context of culturally responsive teaching Strategies easily adapted to the learner s level are linked to six major themes Classroom community Home community and nation Multicultural literature events Critical media literacy Global perspectives and literacy development Inquiry learning and literacy learning Strategies in Learning and Using a Second Language Andrew D. Cohen, 2014-06-11 Strategies in Learning and Using a Second Language examines what it takes to achieve long term success in languages beyond the first language Distinguishing language learning from language use strategies Andrew D Cohen disentangles a morass of terminology to help the reader see what language strategies are and how they can enhance performance Particular areas of research examined in the book include links between the use of task specific strategies and language performance how multilinguals verbalise their thoughts during language learning and use strategies that learners use in test taking contexts In this fully revised and substantially rewritten second edition every chapter has been reworked with material either updated or replaced Entirely new material has also been developed based on examples of specific strategies supplied by actual learners mostly drawn from a website featuring these strategies in the learning of Spanish grammar Strategies in Learning and Using a Second language will be an invaluable resource for language teachers and researchers as well as for administrators of second language programmes and for students of applied linguistics **Conversational Interaction in Second Language Acquisition** A. D. Cohen, Ernesto Macaro, 2013-05-20

Provides a unique and timely re examination of key issues such as strategies in context strategy instruction and strategy research methods by numerous experts in the field Offers an invaluable overview of what is known from empirical research about listening reading speaking writing vocabulary and grammar strategies Proposes a clear and focused research agenda for the next decades Research into language learner strategies has the fundamental goal of improving the teaching and learning of second languages This book explores the notion that the reason some learners of second languages excel and others struggle lies in what the learners themselves do the strategies they bring to language learning and to language use
