Ebook Leadership Handbook:

Leadership Handbook of Management and Administration James D. Berkley, 2008-01-01 This substantial resource offers pastors and church leaders practical insight into the daily issues of running a church. Conceived and compiled by the editors of *Leadership Journal*, this book covers the full spectrum of ministry practice. Readers will learn about perennial topics such as time management, negotiating the terms of a call, handling crisis and conflict, hiring and managing staff, conducting special fund drives, spending church money, and dealing with tax and law considerations. This revised and expanded edition of a proven ministry resource contains new contributions from prominent ministry leaders. Contributors include Leith Anderson, Rick Warren, Brian McLaren, Luis Palau, John Ortberg, Aubrey Malphurs, and many others.

The Leadership Skills Handbook Jo Owen, 2017-08-03 Winner of the CMI Management Book of the Year Awards in the 2012/2013 New Manager category. The *Leadership Skills Handbook* from best-selling author Jo Owen reveals the essential skills you need to be an effective leader. It shows you what works in practice, not in theory, in crucial areas such as people skills, career skills, mindset skills, organization skills, personal values, and behaviours. Each skill is presented in a concise, easy-to-follow format with an accompanying framework to help you deploy it in your own life. The skills are about the real challenges real leaders have to master, and as you observe and record real-life examples of skills in action, you will be developing your own unique formula for success in the context that matters to you. Based on research from over a thousand leaders throughout the world at all levels in the public, private, and voluntary sectors, it identifies the practical skills to make you even more successful and offers guidance on all key topics. This completely revised fourth edition of *The Leadership Skills Handbook* includes brand-new content on some of the most challenging skills that successful leaders need to master through three new sections on financial skills (including budgeting, costs, pricing, and creating an investment case), political skills (including influencing, negotiating, networking, and partnering), and the art of strategy (including strategic models, understanding the customer, marketing, pricing, and advertising). This indispensable guidance will boost your confidence, technical abilities, and give you the edge on your peers.
