Hidden Patterns Clay Parker Jones, 2026-03-10 Unlock the hidden patterns that shape how work really works with this groundbreaking framework for designing it to be more adaptive intelligent and human Work isn't broken It's just waiting to be better designed What if the key to how we structure organize and lead work is already at our fingertips Beneath the surface of our organizations lie hidden patterns structures rituals and decisions that shape how work flows who holds power and what ultimately gets done Drawing on insights from cutting edge organizations behavioral science and real world experimentation Hidden Patterns uncovers the invisible systems that drive success and failure in modern workplaces Whether you're leading a team redesigning an organization or simply looking to work smarter you'll find the tools to navigate complexity and make meaningful change Inside you'll discover Why org charts tell us almost nothing about how work actually happens and how to map the real structure of influence information flow and decision making How to replace rigid hierarchies with dynamic networks of teams without creating chaos confusion or shadow power structures Why most accountability systems backfire and what to build instead to create ownership without surveillance The hidden role of space movement and physical environments in shaping collaboration focus and even risk taking Why organizations that truly innovate don't just tolerate failure they design for it in ways most companies get completely wrong How to dismantle the performative time wasting rituals of work while keeping and amplifying the ones that actually create value Packed with compelling case studies and actionable insights Hidden Patterns is an essential guide for anyone seeking to rethink the way

work happens
