Raising Resilient Children Robert Brooks,Sam Goldstein,2002-09-18 Discusses the importance of fostering the qualities of resilience in children and offers specific ideas and strategies designed to help parents raise strong hopeful optimistic children

Raising Resilient Children Sam Goldstein,Robert Brooks,2002-01-01 Counselors social workers parenting program directors and other mental health professionals will find this nine session curriculum and 70 minute companion video ideal for providing parents with strategies they can use to ensure that their children are emotionally prepared to cope with life's challenges Based on the authors best selling book the chapters in the manual and their corresponding video segments discuss the seven key guideposts to raising resilient children In class and at home activities are also included to help parents recognize the crucial role they play in their children's emotional health After completing the Raising Resilient Children curriculum parents will be better prepared to accomplish their most important job raising a confident self reliant child

Bounce Back! Cheri J. Meiners,2014-05-27 Resilience the ability to recover or bounce back from problems hurt or loss is critical for social and emotional health and helps people feel happy capable and in charge of their lives Foster perseverance patience and resilience in children with this unique encouraging book Young children learn thought processes and actions that are positive realistic and helpful for bouncing back The book also helps children recognize people who can support them in times of difficulty Back matter includes advice for raising resilient children and fostering resiliency at school and in childcare

Being the Best Me Series From the author of the popular Learning to Get Along books comes a one of a kind character development series Each of the first six books in the Being the Best Me series helps children learn understand and develop attitudes and positive character traits that strengthen self confidence and a sense of purpose Each book focuses on a specific attitude or character trait optimism self esteem assertiveness resilience integrity

and forgiveness Also included are discussion questions games activities and additional information for adults Filled with diversity these social story books will be welcome in school home and childcare settings Rewilding Childhood Mike Fairclough,2022-07-12 Mike Fairclough invites parents to facilitate their children s naturally rebellious nature to help them thrive in a turbulent world Discover the revolutionary path to incredible parenting and embrace your child s free spirit inspire their imagination and prepare them for a confident empowered future This isn t your average parenting book This is a call for rebellion a liberating transformative joyful rebellion proven to encourage confidence and resilience in children Rewilding Childhood offers game changing strategies tools and techniques to help you raise empowered children who will thrive in this unpredictable world Renowned headmaster and father of four Mike Fairclough s tried and tested approach shares how to nurture your child s naturally rebellious side encourage their sense of adventure and independence and help them develop optimism about the future and gratitude for the world around them This trailblazing book includes practical liberating exercises to explore freedom and creativity with your child advice on how to set non restrictive goals and positive intentions examples of how play and games can improve problem solving and enhance imagination tips on how to encourage your child to reconnect with nature from looking under stones for insects to journeying into forests and fields simple ways to help your child step outside their comfort zone and build confidence in their own abilities Encouraging children to explore and reconnect with their adventurous side is more important than ever Full of down to earth advice honesty and positivity this book will encourage both you and your child to move beyond the boundaries of everyday life to become self assured secure and above all happy *Raising Resilient Children with a Borderline or Narcissistic Parent* Margalis Fjelstad,Jean McBride,2020-11-03 Being partnered with a narcissist or borderline personality can be hard enough but learning how to shield children from the fallout is paramount Here the authors show readers how to manage parenting when a narcissistic or borderline partner is part of the equation Life in a narcissistic family system is at best challenging and too often filled with chaos isolation emotional outbursts and rigid controlling behaviors It is too often devoid of peace and emotional safety In the worst outcomes children in these families grow up with low self worth issues with trust and belonging and a lack of self compassion They are at significant risk of carrying the cycle forward and having poor adult relationships This book offers a way to intervene and disrupt the cycle of negative outcomes for children Written by two family therapists who bring a combined total of sixty years of clinical practice with individuals and families the book pulls no punches giving clear headed advice easy to follow actions to help children and an abundance of teaching examples Instead of the doom and gloom scenarios often presented about life with a narcissist or borderline this book provides a much more positive outlook and most importantly it offers hope and a path to an entirely different outcome for the family members Supported by current research in neuroscience mindfulness and parenting information the book focuses on teaching resilience and self compassion to raise emotionally healthy children even in a narcissistic family system It starts by helping parents get a clear understanding of

what they face with a narcissistic or borderline partner There is no room here for denial but there are also many options to explore It explains how and why the narcissistic family system functions so poorly for raising healthy children and pinpoints the deficits while providing information on how to intervene more effectively for the benefit of the children Using their years of experience the authors present ideas for staying together as well as knowing when to leave the relationship and how best to do that Emphasis throughout the book is on supporting and strengthening the reader with encouragement concrete ideas skills and compassionate understanding
