

A movie poster for 'Alien Invasion'. The top half features a large, dark, textured alien head with multiple eyes, looking down. Below it, a young child with long hair is crying, holding their hands to their face. The background is a misty, outdoor landscape with trees. The text 'WE DO NOT COME IN PEACE' is in the top right, and 'ALIEN INVASION' is in large green letters at the bottom.

WE DO  
**NOT**  
COME

Puzzling Stories Steven Willemsen, Miklós Kiss, 2022-08-12 Many films and novels defy our ability to make sense of the plot While puzzling storytelling strange incongruities inviting enigmas and persistent ambiguities have been central to the effects of many literary and cinematic traditions a great deal of contemporary films and television series bring such qualities to the mainstream but wherein lies the attractiveness of perplexing works of fiction This collected volume offers the first comprehensive multidisciplinary and trans medial approach to the question of cognitive challenge in narrative art bringing together psychological philosophical formal historical and empirical perspectives from leading scholars across these fields

**UFOs and Abductions** David Michael Jacobs, 2000 Examining the nature of UFO evidence the authors present a primer for scholars skeptics and others uneasy about investigating the field of UFOs The volume also brings together three bestselling authors David M Jacobs Budd Hopkins and Pulitzer Prize winner John Mack widely known for their writings on the controversial alien abduction phenomenon

**Writing and Responsibility** Carl Tighe, 2005-07-12 In a world where literary scandals often end up in court the issue of responsibility in writing has never been more important In this groundbreaking study Carl Tighe asks the questions every writer needs to consider What is it that writers do Are they responsible for all the uses to which their writing might be put Or no more responsible than their readers How are a writer s responsibilities compromised or defined by commercial or political pressures or by notions of tradition or originality How does a writer s audience affect their responsibilities Are these the same for writers in all parts of the world under all political and social systems The first part of this book defines responsibility and looks at its relation to ideas such as power accuracy kitsch and political correctness The second part examines how particular writers have dealt with these issues through a series of often controversial case studies including American Psycho Crash and The Tin Drum Writing and Responsibility encourages its readers to interrogate the choices they make as writers A fascinating look at the public consequences of the private act of writing Carl Tighe s book is a must read for everyone who writes or studies writing
