Phonics Practice Insights:

Evidence and Insights to Inform Early Years Practice Anne Keary, Lucas Walsh, Janet Scull, Susanne Garvis, 2026-02-24

Despite widespread calls for evidence based improvement in education until recently little has been known about using research and other types of evidence to inform teaching and learning of young children particularly in early childhood education and care settings and the first years of formal schooling Considering the importance of evidence informed practice in education this book offers a timely and innovative exploration of the use of evidence in early years and how this translates to practice Through rich case studies and reflections on a portfolio of qualitative quantitative and mixed method studies the authors investigate tensions and constructive collaborative possibilities between research practice and policy Chapters intersect with components of the Q Project s Quality Use of Research Evidence QURE Framework to provide a lens through which to examine and support evidence informed practice in a range of diverse communities The book highlights how evidence can be meaningfully integrated into early years provision to inform policy programmes and practice This book will appeal to researchers early years professionals and policy makers and provide directions for how research and other evidence can better inform practice from local to international settings

Insight Into a Bright Mind Nicole Tetreault, Ph.D., 2021-03-30 Are you bright Do you know someone who is Among the bright population many social emotional and intellectual abilities are unrecognized Bright people are misunderstood and mislabeled as awkward geeks mad scientists maladjusted poets oversensitive artists hyperactive clowns or antisocial misfits Do you want to understand the science behind why intelligent sensitive and highly creative brains are simply different In *Insight into a Bright Mind* Dr Nicole Tetreault translates recent groundbreaking research examining the minds of the most highly intelligent creative and intense brains and explores new directions for the neurodiverse experiences of humans You will learn how your brain is as unique as your fingerprint and how your experience is elevated because you are simply hard wired differently *Insight into a Bright Mind* is intensely argued in favor of neuroindividuality superbly researched with the latest scientific data and deeply invested in engaging with a myriad of bright minds capturing their essence through storytelling and voice Be liberated to embrace your essence with greater self compassion and awareness and unlock your unconventional mind
