*U.S. Waterborne Exports and General Imports* United States. Bureau of the Census,1981      **Urewera Notebook by Katherine Mansfield** Katherine Mansfield,2015-03-31 This publication is theirst scholarly edition of the Urewera Notebook providing an original transcription a collation of the alternative readings and textual criticism of prior editors and new information about the politics people and places Mansfield encountered on her journey      **The Urewera Notebook** Katherine Mansfield,1978 Katherine Mansfield filled the first half of her Urewera Notebook during 1907 camping tour of the central North Island shortly before she left New Zealand forever Her camping notes offer a rare insight into her attitude to her life at the time and her country of birth not in retrospective fiction but as a 19 year old still living in the colony

Modernism and Empire Howard J. Booth,Nigel Rigby,2000-06-10 This is the first book to explore the fascinating relationship between literary Modernism and Empire The book seeks to begin the task of exploring in a sustained way the relations between the artistic movement and colonialism The essays range over subjects and figures such as Ireland Africa Joyce Pound Townsend Warner Lawrence and Forster Kipling Woolf and Jean Rhys      **Encounters: The Creation of New Zealand** Paul Moon,2013-07-24 Throughout its human history New Zealand has been interpreted and experienced in often radically different ways Each wave of arrivals to its shores has left its own set of views of New Zealand on the country applying a new coat of mythology and understanding to the landscape usually without fully removing the one that lies beneath it Encounters is the wide ranging audacious and gripping story of New Zealand s changing national identity how it has emerged and evolved through generations In this genre busting book historian Paul Moon delves into how the many and conflicting ideas about New Zealand came into being Along the way he explores forgotten crevices of the nation s character and exposes some of the mythology of its past and present These include for example the earliest Maori myths and the mock sacredness of the All Blacks in the twenty first century the role of nostalgia in our national character both Maori and Pakeha whether the explorer Kupe existed the appeal of the Speight s Southern Man and ruminations on New Zealand art and landscape What results is an absorbing piece of scholarship an imaginative and exuberant epic that will challenge preconceptions about what it means to be a New Zealander and how our country is understood Lyrical breathtaking and provocative and illustrated with artworks throughout Encounters offers an extraordinary insight into the beginnings of our country      *The Katherine Mansfield Notebooks* Katherine Mansfield,1997 The Katherine Mansfield Notebooks Volumes One and Two publish Katherine Mansfield s private notebooks in their entirety for the first time Passages include diary entries letters unfinished works poems published stories in embryo form recipes and shopping lists These annotated volumes offer an enhanced appreciation of Katherine Mansfield s work and new insights into her life and relationships Volume One covers Katherine Mansfield s childhood and adolescence and Volume Two her adult life      **Katherine Mansfield and Germany** Janet M. Wilson,Tracy Miao,2025-06-09 Katherine Mansfield and Germany is the first study of Mansfield s encounter with

Germany and all things German language culture society This crucial area of her life and art has been relatively neglected even though Germany held Mansfield in its thrall all her life as myriad associations found in her fiction notebooks and letters confirm Her immersion in the German language and culture was formative influencing her early poetry and experimental prose writing and as stories published in her first book *In a German Pension* 1911 show was an important foundation for her cosmopolitan post colonial modernism The 13 essays here offer insights onto the German intellectual and artistic heritages of the early 20th century that influenced Mansfield Nietzsche in philosophy the music of Wagner the German Minnesinger and poetry Heine's lyric verse and German folk lore and fairy tales They study the educational and romantic avenues to this heritage her passion for the world of music through the Beauchamp family circle her study of the cello intense relations with the musical Trowell family her long ing for German at Queen's College in London because taught by the charismatic Walter Rippmann and her crucially important seven month stay in 1909 in the Bavarian spa town of Wrisshofen where she wrote the satires of *In a German Pension* Mansfield's start as a professional writer is considered through biographical psychoanalytical and literary critical readings these include her literary responses to Bavarian culture her fraught personal circumstances her antipodean modernist practice of transposing New Zealand perspectives onto the Germanic narrative space her use of *Sekundenstil* her satire of Bavarian patriarchal attitudes and her adaptations of *München* There are historical readings of Wrisshofen and Rotorua as spa towns renowned for alternative health cures of Mansfield's publications in the *New Age* in 1910 in light of debates about women's emancipation and accelerating Anglo-German tensions prior to World War One while her German legacy is approached through a study of translations of her stories made under Nazi socialism and the German Democratic Republic In examining the enduring impact of German literature philosophy and music on Mansfield's artistic and intellectual development this volume expands knowledge of the diversity of the continental landscapes that shaped her world view Katherine Mansfield and Germany will be of principal interest to Katherine Mansfield scholars It will also attract a broader readership primarily of academics especially scholars working in modernist studies and graduate students interested in transnational modernism and crossovers between German and English literary musical and historical studies This includes members of the public in Germany and elsewhere with an interest in Mansfield's continental specifically German associations and influences

**Katherine Mansfield and The Garden Party and Other Stories** Todd Martin, Gerri Kimber, 2022-05-05 New scholarship on Katherine Mansfield's *The Garden Party and Other Stories* together with creative work inspired by Mansfield The last collection of short stories published in her lifetime *The Garden Party and Other Stories* would solidify Katherine Mansfield's place as the most prominent modernist short story writer of her generation Early reviewers of the collection commented on the similarities it shared with her previous collection *Bliss and Other Stories* however while contemporary reviews were mixed many emphasised the psychological power of her stories praising how she was able to bring her characters to life in a way simple action could not While it contains some of Mansfield

s most sophisticated and well loved stories several of the stories in *The Garden Party* initially appeared in the *Sphere* and thus were often dismissed as inferior Mansfield herself felt some of these stories fell short of her desired effect though recent scholarship has revealed their greater complexity The essays in this volume by both seasoned and newer Mansfield scholars work to continue this conversation The collection also includes Mansfield inspired short fiction two translations of memorial poems dedicated to Mansfield by Chinese and French contemporaries with accompanying notes and a recently re discovered book review by Mansfield In addition Sydney Janet Kaplan provides a reflection on her personal meeting with Christopher Isherwood a writer heavily influenced by the life and work of Mansfield

Katherine E. Russo,2012 *The Urewera Notebook* Rose Anna O'Rorke Plumridge,Victoria University of Wellington. School of English, Film, Theatre, and Media Studies,2014 [Travel Writing in the Nineteenth Century](#) Tim Youngs,2006 Long popular with a general readership travel writing has in the past three decades or so become firmly established as an object of serious and multi disciplinary academic inquiry Few of the scholarly and popular publications that have focused on the nineteenth century have regarded the century as a whole This broad volume examines the cultural and social aspects of travel writing on Africa Asia America the Balkans and Australasia [Katherine Mansfield and Literary Influence](#) Sarah Ailwood,2015-06-16 This book maps the ecologies of Mansfield s influences beyond her modernist and postcolonial contexts observing that it roams wildly over six centuries across three continents and beyond cultural and linguistic boundaries

*Pockets of Change* Jane Stadler,Peta Mitchell,Adam Atkinson,Tricia Hopton,2011-04-29 The twelve essays collected in *Pockets of Change* locate adaptation within a framework of two overlapping if not simultaneous creative processes on the one hand adaptation is to be understood as an acknowledged transposition of an existing source that is the process of adapting from on the other hand adaption is also a process of purposeful shifting and evolving of creative practices in response to external factors including but not limited to other creative works in other words the process of adapting to This book explores adaptation then as an active practice of repetition and as a reactive process of development or evolution The essays also extend beyond the production transformation and interpretation of texts to interrogate the values and practices at work in cultural transition and transformation during periods of social and historical change Collectively the papers theorize adaptation by taking on three tasks first to examine the conditions under which the two processes of adaptation operate second to give an account of the space and moment in which the processes unfold the pockets of the title and finally to examine what emerges from pockets of adaptation While adapting from and adapting to are both processes that appear to preclude innovation in the way that they acknowledge and depend on external sources *Pockets of Change* demonstrates that adaptation is productive It not only references prior texts attitudes practices and media but it also invites us to re visit the past and to re think the present in new ways potentially giving narrative space to muted or occluded voices This book therefore brings together an innovative and varied range of approaches to interpretations and uses of adaptation challenging

the assumption that an adaptation is simply either a re make or the act of turning one medium into another Adaptation then names not only the means by which texts are transformed but also the space in which that transformation takes place T
