The Spirit of the Tarot Claudine Aegerter, Berenice Benjelloun, 2009-12-31 This is a new exploration of the Tarot which reveals the esoteric numerological links underlying this ancient system and connects the teaching of the Tarot to the initiatic journey of the Soul If you are aspiring to connect with the mysteries of our life on this planet or you are already a disciple in some school of spiritual attainment this is a book which will illuminate your way As we explore beyond those physical emotional and mental aspects that we call the personality we find another energy that is not so easy to define and which seems to move us at a deeper level this is the Soul When we are receptive to the Soul s mystery we can start to connect to the universal collective energy of the Spirit The different stages in the fusion of personality and Soul and the unknown unseen alchemy of transmutation from matter to Spirit are illustrated by the twenty two cards of the Major Arcana The symbols are explained

and the deeper esoteric meaning of each card is explored with the help of number This provides practical steps that can be applied to the everyday lives of those who seek greater consciousness Claudine Aegerter started Transcendental Meditation in 1970 then joined the National Federation of Spiritual Healers where she realised her abilities to channel She then started teaching and giving workshops in esoteric subjects As a leader in her field a counsellor and a healer she founded the Connaissance School of Numerology in 1993 bringing unique insights into the initiation of consciousness to many around the world Berenice Benjelloun has worked as a professional artist Homeopath workshop leader and Numerologist The inspiration and underlying energy behind all her occupations has always been the promotion of the expanding consciousness of mankind She teaches at The Connaissance School of Numerology and is Vice chair of the Association Internationale de Numerologues

The World's Great Sermons: Drummond to Jowett, and General Index Various,2023-08-12 The anthology *The World's Great Sermons Drummond to Jowett and General Index* serves as a profound exploration of the art of sermon delivery across a range of influential Christian speakers Compiling notable works from eminent preachers this collection showcases a diverse array of theological discourse rhetorical techniques and stylistic approaches The sermons span multiple centuries and theological perspectives reflecting the broader literary context of religious oratory and offering insights into the human condition spirituality and morality The book not only serves as a repository of rhetorical brilliance but also challenges readers to engage deeply with the spoken word s power and its enduring resonance in society The varied authors represented in this compilation are titans of the pulpit each contributing rich perspectives informed by their historical and cultural contexts Scholars and theologians such as Henry Drummond and Joseph Parker were driven by a profound belief in the transformative power of the sermon Their contributions reveal the intersection of faith and intellect illuminating theological discourse while inviting critical engagement with questions of ethics and existence Their passion and commitment to elucidating spiritual truths have made their sermons timeless This anthology is a must read for anyone interested in the intersection of literature religion and public speaking It not only offers spiritual nourishment but also encourages readers to reflect on the eloquent expression of faith throughout history Whether you are a scholar a seeker of wisdom or simply an admirer of skilled rhetoric this collection serves as both an educational resource and a source of inspiration
