The German Classics of the Nineteenth and Twentieth Centuries Kuno Francke, William Guild Howard, 2020-10-07

This book has been considered by academicians and scholars of great significance and value to literature This forms a part of the knowledge base for future generations So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published Hence any marks or annotations seen are left intentionally to preserve its true nature

The German Classics of the Nineteenth and Twentieth Centuries: A. Wilbrandt, L. Anzengruber, P. Rosegger, K. Schönherr, 1913

The German Classics Of The Nineteenth And Twentieth Centuries Kuno Francke, William Guild Howard, 2020-10-11

This book has been considered by academicians and scholars of great significance and value to literature This forms a part of the knowledge base for future generations So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published Hence any marks or annotations seen are left intentionally to preserve its true nature

The German Classics of the Nineteenth and Twentieth Centuries, Vol. 15 of 20 Kuno Francke, 2016-10-20

Excerpt from *The German Classics of the*

Nineteenth and Twentieth Centuries Vol 15 of 20 Masterpieces of German Literature Translated Into English It is a particular satisfaction that the gracious permission of His Majesty the German Emperor made it possible to link him here through selections from his speeches dealing with religion social reform art education and Sport with those other three intellectual leaders Of contemporary Germany and the Editors and Publishers of the German Classics desire in this place also to express their Sincere gratitude for the favor bestowed upon them That Max Klinger and Hans Thoma Should have been foremost among the artists selected for the illustration Of this volume needs I believe no explanation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The German Classics Kuno Francke, Isidore Singer, 2015-11-03 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The German Classics, Vol. 1 of 20 Kuno Francke, 2017-09-16 Excerpt from The German Classics Vol 1 of 20 Masterpieces of German Literature Translated Into English When that which should be a short story is expanded into a novel one can usually detect the padding and the embroidery So it is certainly in this case Those long descriptions of landscape gardening the copious extracts from Ottilie's diary containing many thoughts which would hardly have entered the head of such a girl the pages given to subordinate characters whose comings and goings have no very obvious connection with the story all these retard the narrative and tend to hide the essential idea The strange title too has served to divert attention from the real centre of gravity Had the tale been called say Ottilie's Expiation there would have been less room for misunderstanding and irrelevant criticism there would have been less concern over the moral and more over the artistic aspect of the story What then was the essential idea Simply to describe a peculiar tragedy resulting from the invasion of the marriage relation by lawless passion As for the title it should be remembered that there was just then a

tendency to look for curious analogies between physical law and the Operations of the human mind Great interest was felt in suggestion occult in uence and all that sort of thing Goethe himself had lately been lecturing on magnetism He had also observed as no one can fail to observe that the sexual attraction sometimes seems to act like chemical affinity it breaks up old unions forms new combinations destroys pre exis ting bodies as if it were a law that must work itself out whatever the consequences Such a process will now and then defy prudence self respect duty even religion going its way like a blind and ruthless law of physics But if this is to happen the recombining elements must of course have each its specific character else there is no affinity and no tragedy It is no part of the analogy that the pressure of sex is always and by its very nature like the attraction of atoms About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works [The German Classics of the Nineteenth and Twentieth Centuries](#) William Guild Howard, Kuno Francke, Friedrich Schiller, 2016-05-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The German Clabics Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the ability of words has been evident than ever. They have the ability to inspire, provoke, and ignite change. Such may be the essence of the book **The German Clabics**, a literary masterpiece that delves deep to the significance of words and their affect our lives. Compiled by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book's key themes, examine its writing style, and analyze its overall impact on readers.
