Razaq Adekunle,2020-11-14 Have you ever noticed that when you are playing and doing what you love and are passionate about that the task or activity feels effortless and so much easier to engage in than an activity you don't love so much? It may seem that these activities are easier to do and time seems to fly by. Your attitude is much more positive and you feel more relaxed. You tend not to think about what you are doing or how you are doing it; you just well do. This is also a time where you feel great about yourself in every aspect of life and nothing else in the world matters. You would have read many books concerning the Productivity Guide without fully understanding what is all about; this book explains everything you need to know about it and why you should be time conscious. Among the counterintuitive insights about The Productivity Guide will teach you Developing Productive Habits. Do you ever wonder how does a person stay so successful and productive in the midst of a fast paced and ever changing society? It is the culmination of continually sticking to small relatively speaking productive habits that eventually makes us successful. How to Fix Your Obsession with Productivity. When you are concerned with productivity you should take action to help you conquer your obsession. This section will teach you what obsession has to do with productivity. How to Convince Your Boss That Browsing Online Can Boost Productivity. Are you stifled at work because you can't openly dig for information and evidence to support you at work? Or do you think 10 minutes of online gambling or fun will provide you with the perfect break and let you get refreshed and ready. Management Strategies for Growth and Mature Stage Companies. We will examine the growth stages of a business and identify common issues, success factors and issues at each stage, identify management priorities and challenges as the organization expands and matures and take forward planning needs into consideration. Seven Ways to Come Up with Great Product Ideas. One of the main obstacles to making a product is to find a brilliant concept for a product. Believe it or not you are often your best source of profitable product ideas and will discover how to produce more profitable ideas than ever.
