The Magic Tablecloth Freya Littledale,1972-01-01 **Everyday Stalinism** Sheila Fitzpatrick,1999-03-04 Focusing on urban areas in the 1930s this college professor illuminates the ways that Soviet city dwellers coped with this world examining such diverse activities as shopping landing a job and other acts **The Magic Tablecloth, the Magic Goat, and the Hitting Stick** ,1972 **The Complete Russian Folktale** Jack V. Haney,1999 **Ayn Rand and Song of Russia** Robert Mayhew,2005 In October 1947 more than twenty years after leaving Russia Ayn Rand testified before the House Un American Activities Committee HUAC which was investigating communist infiltration of the motion picture industry The focus of that testimony was Song of Russia a 1944 pro Soviet film that Rand decried for its unrealistic absurdly flattering portrait of life in the communist country Ayn Rand scholar Robert Mayhew focuses on this controversial period of American and Hollywood history by examining both the film and the furor surrounding Rand s HUAC testimony His analysis provides the first detailed history of any of the pro Soviet films to come out of 1940s Hollywood Mayhew begins by offering a brief synopsis of the MGM film followed by an account of its production as well as its reception Most significantly Mayhew analyzes Rand s appearance before HUAC and discusses the response to her much maligned testimony By carefully scrutinizing this one episode in the history of communism and anti communism in 1940s Hollywood Mayhew presents a more accurate picture of those times and the issues surrounding them His study allows for a re evaluation of the role of communism in Hollywood the nature of the HUAC and even the Hollywood Ten This book should be of interest to anyone interested in the life and thought of Ayn Rand as well as to anyone interested in the history of Hollywood communism and of American film *It's Time for Tricks!* Deborah Duncan,2023-01-26 Anansi the spider may be the smallest animal in the forest but he is certain that he is also the cleverest He loves to play tricks on the other animals But Anansi underestimates just how smart his friends can be they often manage to trick him right back using his own greed and laziness against him In these seven trickster tales Anansi outwits proud Snake and King Tiger but he is outwitted by slow Turtle He learns the hard way to respect the magical gifts he receives from Brother Breeze And when Anansi discovers what might be his best trick yet it is tiny quiet Small Deer who thinks through the problem and makes things right with the other animals of the forest These playful humorous stories are perfect for audiences age 4 and up and readers age 6 and up With vibrant illustrations by South African illustrator Toby Newsome and interesting details about West African and Caribbean culture this book will entertain and educate readers while stoking their enthusiasm for trickster traditions around the world Proceeds from this book will support grassroots organizations working in HIV and AIDS across sub Saharan Africa [The Harvard Monthly](#) ,1897 *Moral Stories For Kids* ,2022-12-17 This book is a compilation of some timeless legendary stories Separate stories were scattered across different media The intention was to record them in a book Children s parents were children once too All of us have heard these stories from our elders in our childhood We also read them in books Interspersed in these stories are

some important life lessons teaching and values which I think are very much helpful in a child's future to make decisions when required. It also helps to become a complete person. Hence these stories are immortalized beyond the boundaries of countries and eras. I have written this book with the help and research of many fables, foreign literature, folklore, expert opinions, and historians. Children are its intended readers. If they and their parents like this book, I will consider my efforts worthwhile. Hope you will collect the book and recommend it to others to do so. *Italian Popular Tales* Crane, 1885
