Uncrowned King:

The Uncrowned King Harold Bell Wright, 2015-02-18 This book contains Harold Bell Wright's 1910 short story *The Uncrowned King*. It is a beautiful allegory about life, religion, and how we perceive it all. This fantastic volume would make for a worthy addition to any bookshelf and constitutes a must-read for fans of Wright's work. Contents include *The Pilgrim* and his Pilgrimage, *The Voice of the Waves*, *The Voice of the Evening Wind*, *The Voice of the Night*, and *The Voice of the New Day*. Harold Bell Wright (1872-1944) was an American author widely considered to have been the first American to sell more than a million copies of a book and the first to make over a million dollars from writing fiction. Many antiquarian texts such as this are becoming increasingly rare and expensive, and it is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition. It comes complete with a specially commissioned new biography of the author. [The Uncrowned King](#) Wright Harold Bell, 2016-06-21 Unlike some other reproductions of classic texts: 1. We have not used OCR (Optical Character Recognition) as this leads to bad quality books with introduced typos. 2. In books where there are images such as portraits, maps, sketches, etc., we have endeavoured to keep the quality of these images so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy. *The Uncrowned King (Classic Reprint)* Harold Bell Wright, 2016-09-07 Excerpt from *The Uncrowned King*: But the Pilgrim knew that the enchanting scenes that lured him by day were but pictures in the heated air. He knew that the fearful shapes that haunted him by night were but creatures of his own overwrought fancy. And so he journeyed on and ever on in the staggering heat under the sky of brass in the awful stillness of the night on and ever on through the wide and pathless waste until he came at last to the outer edge of things. Things came to the place that is between the Desert of Facts and the Beautiful Sea, even as it is written in the Law of the Pilgrimage. [Classifying the Zhuangzi Chapters](#) Xiaogan Liu, 1995-01-01 The relationships, both historical and philosophical, among the Zhuangzi's Inner, Outer, and Miscellaneous chapters are the subject of ancient and enduring controversy. Liu marshals linguistic, intertextual, intratextual, and historical evidence to establish an objectively demonstrable chronology and determine the philosophical affiliations among the various chapters. This major advance in Zhuangzi scholarship furnishes indispensable data for all students of the great Daoist text. In a lengthy afterword, Liu compares his conclusions with those of A. C. Graham and addresses the relationship between the Zhuangzi and the Laozi. *Uncrowned King* Stanley Weintraub, 2000-04 Stanley

Weintraub biographer of Queen Victoria and other major figures of her era here unveils for the first time the largely hidden role of Prince Albert establishing him as one of the greatest men of his days Drawing on previously unexplored sources Weintraub s *Uncrowned King* delves into Prince Albert s political familial financial medical and sexual life *The Uncrowned King* Cory Daniells,2010 When Rolencia s ancestry enemy Merofynia invades King Rolen s castle thirteen year old Piro watches as her father King Rolen listens to poisoned whispers against Bryen who is determined to do whatever he can to prove his loyalty to the king **The Westminster Review** ,1897 **Literati and Self-Re/Presentation** Martin Huang,1995-06-01 This study of the Chinese novel in the eighteenth century arguably one of the greatest periods of the genre focuses on the autobiographical features of three important works *The Dream of the Red Chamber* or *The Story of the Stone* *Honglou meng* *The Scholars* *Rulin waishi* and the relatively neglected *The Humble Words of an Old Rustic* *Yesou puyan* The author seeks for answers to the question of why the Chinese novel was becoming increasingly autobiographical during the eighteenth century even as explicitly autobiographical writing was in a decline He suggests that several new trends in the development of the genre such as the accelerated literatization process and the changing status of literati contributed to the rise of this new feature of the novel As office holding became increasingly unavailable to many literati new roles and new identities that allowed them to retain a claim to membership in the elite had to be found The novel with its ability to distance an author from himself facilitated the exploration of alternative roles and identities Through close readings of the three texts the author examines various autobiographical strategies employed by the authors among which masking as other How the authorial self is re presented as an other stands out as the most significant The book links the authors obsession with masks both to an increasingly ambiguous sense of self identity experienced by many literati and to the larger issue of literati self representation Throughout the readings do not confine themselves to purely literary matters they also analyze the three works as a complex artifact typical of literati self culture and situate them in the larger intellectual history of the period

Orczy,2018-06-10 *The Uncrowned King* by Emma Orczy It is what happened after the death of Louis XVII that is so amazingly interesting Through various entries Cardinal Beneventy s diary we can follow the drama step by step and I have taken the liberty of forming from these fragments a coherent story the life story not of the rescued Dauphin himself for that was uneventful but that of his son known to a narrow but intensely loyal circle of royalists as Louis XIX We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
