Triviata , **Harper's Bazaar** ,1870 **Public Opinion** ,1878 **La Traviata** Giuseppe Verdi,1894 **The Real Traviata** René Weis,2015-09-24 The Real Traviata is the rags to riches story of a tragic young woman whose life inspired one of the most famous operas of all time Verdi s masterpiece La traviata as well as one of the most scandalous and successful French novels of the nineteenth century La Dame aux Cam lias by Alexandre Dumas fils The woman at the centre of the story Marie Duplessis escaped from her life as an abused teenage girl in provincial Normandy rising in an amazingly short space of time to the apex of fashionable life in nineteenth century Paris where she was considered the queen of the Parisian courtesans Her life was painfully short but by sheer willpower intelligence talent and stunning looks she attained such prominence in the French capital that ministers of the government and even members of the French royal family fell under her spell In the 1840s she commanded the kind of paparazzi attention that today we associate only with major royalty or the biggest Hollywood stars Aside from the younger Dumas her conquests included a host of writers and artists including the greatest pianist of the century Franz Liszt with whom she once hoped to elope When she died Th ophile Gautier one of the most important Parisian writers of the day penned an obituary fit for a princess Indeed he boldly claimed that she had been a princess notwithstanding her peasant origin and her distinctly demi monde existence And although now largely forgotten in the years immediately after her death Marie s legend if anything grew in stature with her immortalization in Verdi s La traviata an opera in which the great Romantic composer tried to capture her essence in some of the most heart wrenching and lyrical music ever composed La Traviata = the Lost One Alexandre Dumas,Giuseppe Verdi,Francesco Maria Piave,2013-12 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book **Verdi's La Traviata** Michael Steen,2013-02-20 Verdi s now popular opera was a fiasco in Venice in 1853 attributable perhaps to the prima donna being noticeably obese despite apparently wasting with tuberculosis Soon however Verdi s scandalous love story was on stage contemporaneously at Her Majesty s Theatre Covent Garden and Drury Lane Piave s libretto depicts Violetta and Alfredo Germont the Marguerite and Armand of The Lady with the Camelias by Alexandre Dumas son of the author of The Count of Monte Cristo and The Three Musketeers The bestseller was based on the short life of the courtesan Marie Duplessis mistress of a duke a viscount and a baron in Paris the oldest profession prostitution was the only way many women could survive as Victor Hugo s Les Mis rables depicts Featuring some of Verdi s best loved tunes such as the Brindisi and Violetta s Sempre libera La Traviata is enduringly popular Violetta has been sung by international operatic sopranos
