Ultimate Guide Werewolf Fantasy Romance:

The Essential Guide to Werewolf Literature Brian J. Frost, 2003 In this fascinating book Brian J Frost presents the first full scale survey of werewolf literature covering both fiction and nonfiction works He identifies principal elements in the werewolf myth considers various theories of the phenomenon of shapeshifting surveys nonfiction books and traces the myth from its origins in ancient superstitions to its modern representations in fantasy and horror fiction Frost s analysis encompasses fanciful medieval beliefs popular works by Victorian authors scholarly treatises and medical papers and short stories from pulp magazines of the 1930s and 1940s Revealing the complex nature of the werewolf phenomenon and its tremendous and continuing influence The Essential Guide to Werewolf Literature is destined to become a standard reference on the subject

Werewolves, Wolves and the Gothic, 2017-09-15 Wolves lope across Gothic imagination Signs of a pure animality opposed to humanity in the figure of the werewolf they become liminal creatures that move between the human and the animal Werewolves function as a site for exploring complex anxieties of difference of gender class race space nation or sexuality but the imaginative and ideological uses of wolves also reflect back on the lives of material animals long persecuted in their declining habitats across the world Werewolves therefore raise unsettling questions about the intersection of the real and the imaginary the instability of human identities and the worldliness and political weight of the Gothic This is the first volume concerned with the appearance of werewolves and wolves in literary and cultural texts from the mid nineteenth century to the present Drawing on representations of werewolves and wolves in literature film television and visual culture the essays investigate the key texts of the lycanthropic canon alongside lesser known works from the 1890s to the present The result is an innovative study that is both theoretically aware and historically nuanced featuring an international list of established and emerging scholars based in Britain Europe North America and Australia

you've secretly dreamed of dating a sexy brooding vampire or an alpha werewolf. But what about dating zombies, mummies, angels, fairies, demons, ghosts, occasional spotted aliens with tentacles, or other random metaphysical impossibilities? Furthermore, what if those paranormal beings in turn dreamed of dating each other, each one in search of their own supernatural soul mate? The answer lies, as usual, in the planets and the entire solar system of planetary harmonic alignment. Take the supernatural compatibility test and discover your own soul planet. Discover what planet rules which supernatural species and which paranormal personality combinations offer the most compatibility to each other and to you. And then be matched with the supernatural soul mate of your wildest dreams. It's all in here. Plus, as a special bonus, discover the Supernatural Matchmaker's greatest advice: the Love Secret.
