Raising Resilient Kids Rhonda Spencer-Hwang, Rhonda Spencer-Hwang DrPH, 2021 Rhonda Spencer Hwang a mom of three children and a professor of public health set out to discover how to promote health and well being beginning in childhood Living in a community known worldwide for the unusual resilience and longevity of its citizens she wondered What childhood practices have protected the centenarians in my area from the stresses of hardship and encouraged their accomplishments She set out to interview as many of them as she could find and what she learned may change your life

The Parenting Revolution Justin Coulson, 2023-05-01 Advice about how to be a great parent from the co host of Parental Guidance What does it mean to be a good parent Are you a good parent when your child is compliant but a bad parent when they re not What if they re perfect at age three and challenging at thirteen And what if your child has additional needs This is a book about parenting styles and what it takes to be a great parent We know about tiger parents helicopter parents free range parents but have you heard of Tesla parents leaf blower parents or iPhone 6 parents So many styles but is there one that actually works Justin Coulson believes so Drawing on up to the minute research in parenting science as well as studies of childhood development he shows how our children thrive when we understand and meet their basic psychological needs how our job is not to fix our kids but to create an environment that supports their growth and development and how children flourish when we minimise control but maximise our warmth and involvement and establish healthy boundaries Not all children are the same and Justin considers a range of circumstances that you or your child might be in including children with non typical development His revolutionary approach and practical strategies will encourage you to change the way you parent forever *Raising a Self-Disciplined Child: Help Your Child Become More Responsible, Confident, and Resilient*

in your child Being a parent isn't easy From the ear-splitting temper tantrums of the terrible twos to the heart-stopping antics of elder siblings who should know better sometimes the family home can feel more like a psychological battleground with a masterful manipulator of your emotions One thing is for sure a child's life is one of exploration discovery and wonder But between those wondrous moments even the most cautious of children will suffer the consequences of their youthful trial and error As a parent it's hard to say no to an eager little face that you love and it only gets harder when resisting your natural hard-wired impulse to rush in and save them from their terrible decisions Does this make you a bad parent Of course not you are like your children a human trying to make sense of the world and you alone have the power and responsibility to show them the best path forward

But Just Where Do You Draw the Line Between Liberty and Discipline How Parents Can Raise Resilient Children is a new step-by-step guide that shows parents how to navigate the precarious tightrope of raising independent resilient and honest children Taking inspiration from some of the latest research in child development studies Frank Dixon lifts the lid on just why kids will be kids and how parents can build an empathic nourishing and stable relationship with their children based on empowering behavior mentorship Building on a foundation of 7 C's competence confidence connection character contribution coping and control Dixon offers an easy-to-follow strategy that frazzled parents can immediately put into action

Childish Mistakes Are the Building Blocks of Adult Success How Parents Can Raise Resilient Children reveals seven core areas of parenting where you can act as a role model when dealing with setbacks and upsets Through exploring these 7 C's with examples this book acts as a handbook for resilience parenting With its easy-to-understand style this guide offers step-by-step guidance to show parents how they can effectively Foster the brilliant imagination of the young mind with strategic use of praise and providing resources to enable the development of innate skills and talents Understand the way the human brain is wired in childhood and how to discipline mistakes with empathy and understanding rather than punishment Nourish and grow your relationship with your child as a trusted supporter and advisor through childhood and adulthood empowering both sides with love Demonstrate desired behaviors when faced with hardships through your own actions and thought processes to give your child a powerful emotional toolkit Know when to intervene and how to intervene when mistakes and failures happen and how to turn any situation into a powerful learning moment Make friends and develop strong bonds with peers with the ability to lead and influence through their character Develop an optimistic cheerful approach to life where failure isn't a disaster but merely a challenge that can be resolved with creative problem solving Life has never been fair As a parent your goal is to proudly guide and watch as your baby grows and develops into a resilient and stable adult emotionally equipped to handle life's vicious slings and arrows Click the Buy Now button today to order How Parents Can Raise Resilient Children Take the first step in investing in your relationship with your child today and give them the extraordinary gift of lifelong resilience
