

## Prepositions

### Theory

#### Prepositions of time

In, at, on.

Be careful - many students of English use 'on' with months (it should be 'in'), or put a preposition before 'next' when we don't need one.

at	times	At midnight at 8 pm At 6:30
	Holiday periods	At Christmas At easter
	At night	
	At the weekend	
at lunchtime, at dinnertime, at breakfast time		
on	Days	On Monday On my birthday On Christmas day
	Days + moment	Morning/afternoon/evening/night On Tuesday afternoon
	Dates	On the 20 <sup>th</sup> of June
in	Years	In 1993 In 2008
	Months	In December In June
	Decades	In the sixties in the 1790s
	Centuries	In the 19 <sup>th</sup> century
	Seasons	In winter In summer
	In the morning, in the afternoon, in the evening	

#### Prepositions of place

at	if something is at a point (such as a building, location)	at the airport at the table at the cinema at the bottom at the traffic lights at the back at university at the hospital	at the door at the bus stop at the top at the pub at the front at school at the window at the piano
on	if something is on a line or a horizontal or vertical surface	on the table on the floor on my face on the page on a chair on the river on the ceiling	on the wall on the window on a plate on the sofa on a bag on a t-shirt on a bottle
