The Of Country Living:

Country Living A Bit of Velvet and a Dash of Lace Robin Brown, 2008 Surround yourself with the lush opulent Magnolia Pearl look the ultimate in bohemian chic home decor Page 2 of cover

Resisting Change in Suburbia James Zarsadiaz, 2022-10-18 Between the 1980s and the first decade of the twenty first century Asian Americans in Los Angeles moved toward becoming a racial majority in the communities of the East San Gabriel Valley By the late 1990s their model minority status resulted in greater influence in local culture neighborhood politics and policies regarding the use of suburban space In the country living subdivisions which featured symbols of Western agrarianism including horse trails ranch fencing and Spanish colonial architecture white homeowners encouraged assimilation and enacted policies suppressing unwanted changes that is increased density and influence of Asian culture While some Asian suburbanites challenged whites concerns many others did not Rather white critics found support from affluent Asian homeowners who also wished to protect their class privilege and suburbia s conservative Anglocentric milieu In *Resisting Change in Suburbia* award winning historian James Zarsadiaz explains how myths of suburbia the American West and the American Dream informed regional planning suburban design and ideas about race and belonging

A2 Media Studies Peter Bennett, Jerry Slater, Peter Wall, 2005 Written by experienced teachers and examiners *A2 Media Studies* builds solidly on the groundwork laid by the AS Media Studies syllabus and develops key topics in greater depth and introduces students to the notion of independent study Bang up to date this full colour fully illustrated text is designed to support students through the transition from a focus on textual analysis to the consideration of the wider contexts that inform any study of the media Specially designed to be user friendly *A2 Media Studies* includes sample AQA exam questions activities and practical assignments further reading case studies a glossary of key terms and resources This is a book no A2 level media studies student can afford to be without

The Making of Americans - Gertrude Stein Gertrude Stein, 2025-03-03 *The Making of Americans* by Gertrude Stein is an experimental modernist novel that explores themes of identity history and the nature of American culture The novel presents a detailed and repetitive narrative about the lives of the Dehning and Hersland families using an unconventional stream of consciousness style that reflects Stein s interest in linguistic rhythm and psychological depth Through this fragmented and abstract approach Stein examines the ways in which individuals and families evolve over generations capturing the essence of human behavior and societal change Since its publication *The Making of Americans* has been recognized as a groundbreaking work in modernist literature challenging traditional narrative structures and redefining the novel s form Its emphasis on repetition variation and observation creates a unique reading experience that mirrors the process of memory and perception Though complex and demanding the novel has been influential in literary circles inspiring later experimental writers The novel s enduring significance lies in its ambitious attempt to chronicle the American experience through language and structure rather than conventional plot *The Making of Americans* remains a landmark of literary innovation

offering readers a profound meditation on identity transformation and the fluidity of personal and collective history
