The New Zealanders:

The Making of New Zealanders Ron Palenski,2013-11-01 Examining the development of a sense of national identity in a British colony this highly authoritative work is a valuable addition to the literature in New Zealand By looking at the onset of home grown shipping railway and telegraph networks as well as at the Maori and kiwi experiences not to mention the emergence of rugby teams this book accounts for how transplanted Britons and others turned themselves into New Zealanders a distinct group of people with their own songs and sports symbols and opinions political traditions and sense of self Tracing markers in popular culture political processes and public events this informative and thrilling history focuses on the forging of a distinctive new culture and society

The New New Zealand Paul Spoonley,2020-08-13 In this timely book New Zealand s best known commentator on population trends Distinguished Professor Paul Spoonley shows how as New Zealand moves into the 2020s the demographic dividends of the last 70 years are turning into deficits Our population patterns have been disrupted More boomers fewer children an ever bigger Auckland and declining regions are the new normal We will need new economic models new ways of living Spoonley says It is not a crisis even if at times it feels like it but rather something that needs to be understood and responded to But I fear that policy makers and politicians are not up to the challenge That would be a crisis

The New Zealanders George Lillie Craik,1830 Settlers Jock Phillips,2013-10-01 Who were our Pakeha ancestors Did our forefathers and mothers come from particular areas of Britain did they tend to be rural or city folk were they Catholics or Protestants farmers or factory workers Drawing on a major analysis of death registers and shipping records as well as hundreds of biographical accounts of individuals and families Settlers gives the first comprehensive account of the origins of Pakeha New Zealanders Phillips and Hearn use individual examples of immigrants and their families vividly depicted in the numerous illustrations and show that these settlers were a distinctive group They were predominantly rural dwellers practising pre industrial crafts Low Church Protestants and as often of Celtic as Anglo Saxon heritage They added elements of their diverse cultures to the new land from Cornwall s meat pies to Scotland s country shows and their shared characteristics shaped New Zealand s culture and history from the movement for temperance and women s suffrage to New Zealanders enthusiasm for the outdoors Settlers makes a significant contribution to understanding the origins of Pakeha New Zealand
