## **The Night Letter:**

**Van Gogh and the Colors of the Night** Vincent van Gogh, Sjraar van Heugten, Joachim Pissarro, Chris Stolwijk, 2008  
Van Gogh's paintings of night and evening scenes Includes essays by scholars from the Van Gogh Museum in Amsterdam provide a context for understanding the artist's motives and offering insight into Van Gogh's artistic practices *Tender Is the Night* Francis Scott Fitzgerald, 2022-05-17 *Tender Is the Night* Francis Scott Fitzgerald's last completed novel intricately weaves the narratives of love, ambition, and the complexities of human relationships against the backdrop of the glamorous yet disillusioning 1920s. Written in a fluid and lyrical prose style, Fitzgerald employs stream of consciousness techniques and shifting perspectives to depict the rise and fall of Dick Diver, a charming psychiatrist and his unraveling marriage to the enigmatic actress Nicole Warren. This literary work dives deep into themes of mental illness, the impact of wealth on personal identity, and the existential despair that pervades a seemingly glittering society. Fitzgerald, often regarded as one of the greatest American authors, was heavily influenced by his experiences within the expatriate community in Europe and the tumultuous nature of his own marriage. The novel reflects the author's keen observations of the recklessness of the Jazz Age and the inevitable decline that accompanies excess and ambition. With its semi-autobiographical elements, *Tender Is the Night* captures Fitzgerald's struggles with his own psychological demons and the constraints of fame. I wholeheartedly recommend *Tender Is the Night* to readers who seek an introspective exploration of human frailty and the profound disillusionment that can arise from love and success. Fitzgerald masterfully evokes an emotional landscape that resonates with anyone grappling with the duality of aspiration and despair, making this novel a timeless and essential read. **Spine** Carolyn Guinzio, 2015-10-20 Sometimes an echoing or answering poem, sometimes a second voice, the ghost text in *Spine* mimics and examines the difficulty of processing information from multiple sources at once. The distraction that accompanies reading ruptures the experience of these poems. Too much and too little co-exist here: the challenges of living in rural areas that technological advances have left behind, throw into relief the disorienting speed with which the world is changing. **Oliver Cromwell's Letters and Speeches** Oliver Cromwell, Thomas Carlyle, 1888 [The Book of the Thousand Nights and a Night](#) Leonard Charles Smithers, 1894 *Hearings* United States.
