Help Me, I'm Stuck Vaughn Carter, 2022

Grit Martin Meadows, 2015-03-25 Tempted to Give Up Here s How to Keep Going If you browse through the interviews with some of the most successful people on Earth you ll find one common piece of advice shared by virtually all of them They

never give up on their big goals Research shows that grit is a better predictor for success than any other factor The ability to keep going despite setbacks is more important than your IQ character or other external factors like your upbringing or surroundings But what does it really mean to never give up What exactly is grit How do you persevere when faced with larger than life difficulties How do you keep going when you re at the brink of exhaustion and all your hard work hasn t been rewarded yet I wrote this book to explore the subject of persistence from a more scientific point of view than clich self help sayings I want to share with you how exactly to stick to your goals according to peak performers and science not vague motivational advice that assumes we have unlimited strength once we re motivated enough Here are just a couple of things you will learn from the book A crucial piece of advice you can learn from the first people who reached the South Pole If you make the wrong choice you ll burn out guaranteed What famous American comic Jerry Seinfeld did in his early days of career to keep going It s a simple trick that provides huge results What a study on top musicians athletes actors and chess players can teach you about achieving results and persistence The elite performers practice much fewer hours than you believe Five of the most common ways you lead yourself to self sabotage Usually you re not even aware of how many of your efforts go for naught simply because of the five things I discuss in this book According to studies this one trait is strongly associated with grit and persistence Learn what it is and how to develop it in five different ways Five focusing questions to keep going Asking yourself these questions will help you boost your motivation when you re at the brink of giving up How listening to others whining makes a part of your brain shrink and affects your ability to persevere when faced with setbacks Six bestselling authors and bloggers share their best techniques on how to keep going when you want to give up Stephen Guise author of Mini Habits Smaller Habits Bigger Results Joel Runyon blogger at ImpossibleHQ com Serena Star Leonard bestselling author of How to Retire in 12 Months Turning Passion into Profit Derek Doepker bestselling author of Why You re Stuck Michal Stawicki bestselling author of Trickle Down Mindset The Missing Element In Your Personal Success and Hung Pham bestselling author of Break Through 12 Powerful Steps to Destroy Your Mental Barriers and Achieve Success There s no reason why you should give up if you re working on the right goal Learn how to make sure you ll reach your objectives Scroll up and buy the book now For more free resources sign up for my self improvement newsletter <http://www.profoundselfimprovement.com/grita> Keywords How not to give up persistence grit how to keep going how to reach your goals how to achieve goals how to achieve success how to be resilient how to be strong how to be tough success mindset success tips psychology of success success psychology self discipline self help books personal development ebooks personal development books personal growth success personal growth and inspiration **How to Think Bigger** Martin Meadows,2015-07-04 How to Get More Motivated Set Bigger Goals and Achieve More by Thinking Bigger Have you ever wondered what separates people who think bigger from people who set their bar low What makes one person accept low standards and another person to constantly raise them Why does one person strive to build an international organization

affecting the lives of millions of people while another person is content working her entire life as a clerk Not that there s anything wrong with being a clerk Why is one person challenging herself to run marathons train her body and get fitter while another is happy living a sedentary unhealthy lifestyle What drives a person who s optimizing every single aspect of her life and what causes another person to maintain the status quo You can say Well the answer is simple enough one person is ambitious while the other one is not But what exactly causes it And most importantly how do you become more ambitious and think bigger Is it something you re born with and can t change or is it something over which you have control I found this topic so fascinating I decided to find out the answer for myself and write a book about it This book is the result of my research about people who think big and the science of being more ambitious Here are just some of the things you will learn from the book What key things you need to inspire yourself to think bigger and more importantly achieve your big goals Why you need a why and what kind of motivators will set you up for success hint attaining money or status are some of the least motivating goals possible The single most important thing to thinking bigger If you don t have it in your life you will sabotage your efforts guaranteed What the chimp is and why you need to learn how to control it to get yourself motivated and work on your big goals You can be making things hard for yourself without being aware of it How to cultivate the art of strategic laziness to achieve more while doing much less than other people why work so hard if you can get better results by being lazy The seven most important triggers of flow a state of perfect focus where the magic happens The secret of achieving the impossible is not really such a secret but most people tend to forget about it and get overwhelmed by their goals I wrote this book to increase my motivation teach myself how to think bigger and learn how to raise my standards I hope the answer I found will help you as much as it has helped me You can also learn how to find motivation to become the best version of you Scroll up and buy the book now For more free resources sign up for my self improvement newsletter <http://www.profoundselfimprovement.com> tba Keywords how to think big how to get motivated how to get more motivation how to achieve goals how to set goals thinking bigger startup health teams inspiration big thinking achieving goals achieving the impossible how to be amazing how to be motivated motivational guide business motivational books business inspirational how to be a success how successful people think goal setting success ambition free permafrees
