Paperback Mental Health Recovery:

Better Days - A Mental Health Recovery Workbook Craig Lewis, 2014-06-10 This book helps those aspiring toward recovery and wellness and also those in recovery because it addresses and challenges the individual in very real basic and honest ways to make significant cognitive adjustments in how they live their lives The beauty of this curriculum is that people like to do it and don't consider it a chore a demand or a requirement because every page subtly encourages the individual to think in realistic and forward moving ways This allows them to feel good about doing the work This book is for any person who struggles with their mental health and who wants to live a happier life as well as for any person who wants to improve their quality of life how they deal with stress obstacles difficulties and other people and live a happier healthy and much more stable life I based this book on my personal life and recovery and every page has been used successfully in peer group settings

Wellbeing, Recovery and Mental Health Mike Slade, Lindsay Oades, Aaron Jarden, 2017-02 This book brings together current research on recovery and wellbeing to inform mental health systems and wider community development

Recovery and Mental Health David Pilgrim, Ann McCranie, 2013-10-18 For most of us the term recovery in mental health implies hope and normality for those suffering from emotional distress It is understandable why recovery has therefore become a significant goal for mental health services But what does recovery mean for those who are struggling to see it through Is the emphasis on recovery always a positive thing This book takes a critical sociological look at personal and public assumptions and understandings In particular It explores what the recovery movement signifies today offering readers a critical reflexive view of its scientific policy and political consequences It considers what recovery means from social medical and patient perspectives and the implications of these conflicting views It reveals some of the risks and benefits for people with mental health problems encountering a system that expects them to recover Offering a comprehensive and thought provoking overview of the concept of recovery from mental illness this book is a must have for students studying mental health across a range of subjects including sociology social work psychology and nursing

Narratives of Recovery from Mental Illness Mike Watts, Agnes Higgins, 2016-07-15 *Narratives of Recovery from Mental Illness* presents research that challenges the prevailing view that recovery from mental illness must take place within the boundaries of traditional mental health services While Watts and Higgins accept that medical treatment may be a vital start to some people's recovery they argue that mental health problems can also be resolved through everyday social interactions and through peer and community support Using a narrative approach this book presents detailed recovery stories of 26 people who received various diagnoses of mental illness and were involved in a mutual help group known as GROW Drawing on an in depth analysis of each story chapters offer new understandings of the journey into mental distress and a progressive entrapment through a combination of events feelings thoughts and relationships The book also discusses the process of ongoing personal liberation and healing which assists recovery and suggests that friendship social involvement compassion and nurturing

processes of change all play key factors in improved mental well being This book provides an alternative way of looking at mental illness and demonstrates many unexplored avenues and paths to recovery that need to be considered As such it will be of interest to researchers academics and postgraduate students in the fields of psychiatry psychology nursing social work and occupational therapy as well as to service providers policymakers and peer support organisations The narratives of recovery within the book should also be a source of hope to people struggling with mental illness and emotional distress

Mental Health Recovery Book Kaye Dennon,2013-08-02 Mental Health Recovery Book has been written by Kaye Dennon a mother with a son who has been diagnosed with a mental illness The book would be suitable for a carer or sibling of a person with a mental illness such as bi polar autism schizophrenia or any other mood altering illness The purpose of the book is to give new carers an understanding about dealing with a loved one with a mental illness when they live under the same roof It has been written from an informative perspective rather than an emotional one In Mental Health Recovery Book there are a lot of situations that are discussed be they right or wrong and I hope carers can get a positive feel for their situation ALSO in the book are suggestions for help and the book ends up with a look at recovery and how as carers we can contribute to that event Wishing you well with your journey as a carer Selfhood Terry Lynch,2011 SELFHOOD is a practical self help book designed to help people to recover their sense of self be happier and more fulfilled Readers will learn a great deal about themselves others and life Readers will discover what selfhood means how closely selfhood is linked to emotional and mental wellbeing and mental illness the components of selfhood how selfhood is lost the feature of low and high selfhood and how to reclaim one s sense of selfhood SELFHOOD contains many practical suggests and recommended actions devised to enhance people s sense of self It is simply not possible to feel good to regularly experience emotional wellbeing and mental health if your level of selfhood is low SELFHOOD is the first of Dr Terry Lynch s Mental Wellness Book Series Care Planning in Mental Health Angela Hall, Mike Wren, Stephan Kirby,2013-08-05 Care planning and delivery are essential parts of everyday practice for all mental health practitioners This new edition of Care Planning in Mental Health Promoting Recovery moves away from a professionally oriented model of care planning towards the active promotion of the personal narrative as being central to planning effective mental health care It outlines essential concepts linked to the recovery process which is carried out in partnership with people with mental health problems and those closest to them New to this edition A stronger more explicit focus on recovery A unique interpretation and explication of the recovery process A greater promotion of the centrality of personhood Examples drawing on a range of international perspectives and experiences Enhanced user friendly pedagogy including practical case illustrations and first hand accounts throughout Care Planning in Mental Health Promoting Recovery is an ideal resource for anyone involved in the field of mental health care It is also a valuable learning resource for students studying mental health care and the qualified and experienced practitioner wishing to gain a fresh approach to planning recovery focused care **BETTER DAYS** Craig Lewis Cps,2024-05-23

Promoting Recovery in Mental Health Nursing Steve Trenoweth, 2017 Student customer focused version of blurb used on Amazon etc Promoting recovery from mental health problems is a guiding principle within modern mental health care Working in partnership with service users new practice techniques are being designed and delivered that can allow individuals to thrive within society and move towards a fulfilling life beyond their diagnosis Recovery remains a broad and subjective term though and understanding what this means for your service users and how to implement recovery into your practice is an important challenge Developed in partnership with Certitude an influential charity providing support for people with mental health problems or learning disabilities this book will answer all your questions about recovery in mental health nursing It provides clear explanations and practical guidance that you can immediately bring into your work on placement

Social Inclusion and Recovery Julie Repper, Rachel Perkins, 2003 This book draws on the accounts of people who have faced the challenge of life with a mental health problem in order to propose that the guiding principle of mental health practice should revolve around social inclusion and recovery **The Write to Recovery** Patricia Yap, Daryl Chow, Sharon Lu, Brenda Lee, 2015 *Promoting Recovery in Mental Health Nursing* Steve Trenoweth, 2017-02-23 Promoting recovery from mental health problems is a guiding principle within modern mental health care Working in partnership with service users new practice techniques are being designed and delivered that can allow individuals to thrive within society and move towards a fulfilling life beyond their diagnosis Recovery remains a broad and subjective term though and understanding what this means for your service users and how to implement recovery into your practice is an important challenge Developed in partnership with Certitude an influential charity providing support for people with mental health problems or learning disabilities this book will answer all your questions about recovery in mental health nursing It provides clear explanations and practical guidance that you can immediately bring into your work on placement *Journey to Recovery* Dr Dawn-Elise Snipes, 2015-04-15 *Journey to Recovery A Comprehensive Guide to Recovery from Addiction and Mental Health Problems* Learn how to start recovering from addiction and mental health problems Use practical concise exercises to develop the tools you need to be happy and sober Discover why previous attempts have failed Explore options to the current 12 step and faith based approaches to recovery Begin your journey The *Journey to Recovery* Series has been designed to provide people with practical tools that can be easily implemented in order to quickly begin to recover from addiction and mental health issues This series uses motivational and strengths based approaches to help people understand what works best for them as individuals *Journey to Recovery A Comprehensive Guide to Recovery from Addiction and Mental Health Problems* explains how addictions and mental health issues are related how they both negatively impact every aspect of people's lives and provides tools to help people begin their recovery from both BIOGRAPHY Dr Dawn Elise Snipes is the CEO and Director of Education for All CEUs and has provided over 200 000 hours of training to counselors throughout the world She is a nationally certified counselor and a licensed mental health counselor and has a private counseling practice where she

specializes in co occurring disorders counseling and recovery coaching Snipes has worked in the addictions treatment field since 1998 worked as an assistant professor at the University of Florida published 50 Tips for Depression Recovery and served as the wellness consultant for the Southern States Police Benevolent Association from 2005 2011 [A Practical Guide to Recovery-Oriented Practice: Tools for Transforming Mental Health Care](#) Larry Davidson,2009 This book takes the lofty vision of recovery and of a life in the community for every adult with a mental illness promised by the U S President s New Freedom Commission and shows the reader what is entailed in making this vision a practical reality for people with mental illnesses and their families **My Recovery Workbook for Beginning the Practice of Mental Health Recovery Self** Laura Dreuth Zeman,2017-10-18 This workbook provides self care tools for persons who live with challenges related to mental illness This workbook will help you to identify symptoms of mental illness practice techniques that may help manage symptoms and identify services that support RECOVERY The author organized proven self care techniques using the acrostic R E C O V E R Y The units are REALIZE EDUCATE CONNECT OWN VERIFY EVALUATE RENEW and YOU Each unit contains a brief summary of the related research findings The summaries can help you understand what you could expect to benefit from applying the techniques to your RECOVERY *Mental Health Workbook* Gino Mackesy,Marzia Fernandez,2020-09-28 This Book includes 4 Manuscripts 1 The Addiction Recovery Workbook 2 Complex PTSD Trauma and Recovery 3 EMDR and Somatic Psychotherapy 4 Somatic Psychotherapy Book 1 The Addiction Recovery Workbook In this book you will find the necessary help to get you on the road to recovery with chapters that cover How to replace your addiction and find the peace you crave Educating yourself about your addiction What to avoid when you are developing new habits Exercise hydration and a non toxic lifestyle Getting creative to life healthier Book 2 Complex PTSD Trauma and Recovery In this book you will finally find new ways to tackle your trauma with chapters that focus on How depression is defined How you can avoid exacerbating the problem A range of trauma treatment exercises Trauma and the link to mental health Understanding anxiety Complex PTSD Books 3 and 4 EMDR and Somatic Psychotherapy You ll discover how it could help you with chapters that cover The principles of EMDR and Somatic Psychotherapy The basic concepts of Somatic Psychotherapy and EMDR Therapy Examining the neurobiology of stress and trauma How the brain works and how it is affected by trauma Somatic Psychotherapy explained What are you waiting for BUY THIS BOOK NOW **Breakthrough** Ahmed Hankir,2024-04-15 An honest engaging and most of all hopeful book Adam Kay BAFTA winning multi million bestselling author TV writer and performer Warm funny and devastatingly honest An incredibly insightful story full of hope and resilience Dr Amir Khan Sunday Times bestselling author and Resident Doctor for ITV s Lorraine and Good Morning Britain An inspiring rebuke to the nihilism which prevails in society about persons living with mental illness due to myths misinformation and stigma Professor Hankir s personal journey bursts with courage resilience and hope Vikram Patel Paul Farmer Professor and Chair of Global Health and Social Medicine Harvard Medical School USA Explore mental health wellness and illness in this engaging and insightful

discussion from a practicing psychiatrist who himself lives with a mental health condition In Breakthrough A Story of Hope Resilience and Mental Health Recovery World Health Organization Award Winning psychiatrist former psychiatric patient and mental health advocate Dr Ahmed Hankir delivers a unique and powerful insight into mental health and wellness mental illness mental health treatment and the culture surrounding mental health by tracing his own personal recovery journey from impoverished and shunned psychiatric patient to becoming an NHS Consultant psychiatrist In the book you ll explore many of the issues currently dominating the discussion of mental health and illness including the impacts of poverty unemployment the cost of living crisis homelessness addictions the use of medication to treat mental illness the widespread prevalence of stigma discrimination and racism in mental health and much more You ll also find Comprehensive discussions about how to overcome shame and stigma to seek help if you re suffering from a mental illness Explorations of how mental health practitioners and family members of people living with mental health conditions can themselves remain healthy as they care for others Examinations of why mental health related stigma remains so stubbornly common in our societies and what we can do to combat it Breakthrough is a resource of hope and a companion for people suffering in silence who feel isolated and disconnected from society It will also be of interest to mental health practitioners including psychiatrists psychologists social workers counsellors addictions specialists carers and clients The take home messages are clear living with a mental health condition is nothing to be ashamed about and with the right support recovery is a reality for the many and not the few

Welcome to the Circle Jake Orlowitz,2019-10-09 Welcome to the Circle The Mental Health Book A collection of honest intelligent and compassionate writing about mental illness redemption loss and gratitude I never expected to wind up in a mental hospital I was class treasurer member of the homecoming court varsity wrestling champion head of my academic class and a distinguished college graduate But life threw me an unexpected turn After college my mental health suddenly and severely declined Welcome to the Circle is my story and the multitude of lessons I ve learned along the way More than just memoir the book is a meditation on the mental health journeys all of us must take to become better humans It is full of useful advice about how to navigate mental illness in all its difficulty and unpredictability either for you or for the ones you love What early readers are saying The writing has an intelligence a vulnerability and the most perfect use of English vocabulary What what all of it has in common is your openness your honesty your kindness and your ability to grab the reader The style is so refreshing and unusual especially in today s world Kathy G These pieces reflect your deep compassion and committed empathy I read it in one sitting Maggie D The way you have written it is just beautiful Your writing is full of emotion and one can feel that it s sprouting directly from your heart Satdeep G In 140 pages the book cover mental illness and loss the hard parts and well as redemption and gratitude the uplifting parts Dive into the essays sit down with the poems tick through the lists or dig into the guides Mental illness is not a dead end it can be a powerful beginning In the 7 years since I was hospitalized I found effective treatment with both therapy and medications and the support of family and friends My mission

now is to impact each person who has personally experienced or witnessed the struggle of mental illness To end the stigma and shame that prevents people from getting the help they need To show that recovery is possible that mental illness can be survived and that it can be transformed into a dynamic and thriving new chapter of life Here are 7 reasons you ll want to support and read Welcome to the Circle You are personally struggling and want to gain insight and hope You love someone who needs help but you don t know how to help You want to learn what mental illness really looks and feels like You need advice getting someone into treatment or onto medication You believe our society can grow in its compassion towards mental health You re on your path to recovery and want to stay healthy and keep growing You crave innovative wrining and want to support independent creators Please purchase the book to support mental health recovery and hope Share the book with your friends family colleagues and peers Help make it a success by posting about it on social media or emailing the link to people you care about Please also honestly review the book after you have purchased it on Amazon Thank you so much for your support your belief in me and your collaboration on this journey of healing Because of you Welcome to the Circle can come to life Jake Orlowitz

Creative Mental Health Recovery Robert Hurst, (Of,2024-10 This book presents the importance of the role of creativity particularly everyday creativity in the lives of people on a mental health recovery journey Through a review of historical and contemporary literature and research findings on the topic the book starts by giving readers an idea of the state of play of conceptualisations of both creativity and recovery The authors arrive at and present their own definitions of these concepts using autoethnography to bring their own experiences into the text They then illustrate to the reader what creativity in recovery looks like in practice through interviews with and written accounts from creative individuals who have experienced a mental health recovery journey grounding the theory with tangible stories of application The interviews are analysed with themes picked out and a model of creativity and recovery produced by the authors Implications and possible future directions are then discussed This unique presentation of creative recovery will be of interest to a wide range of mental health professionals specifically those studying or practicing mental health recovery and creative therapies
