Rewriting a Fairy Tale
*Planning Sheet*

Name: _____

Before you write an original retelling, you'll need to brainstorm ideas and create a plan.

1. Which fairy tale will you be retelling?

From whose point-of-view will you be writing (who's the original villain)?

Characters are incredibly important to moving a story forward. Think about the character...

What do you already know about this character?

What information will you add or twist about this character to give a new voice to the story?
