Paperback Healing Trauma Guide:

Stay safe and be prepared: a teacher's guide to disaster risk reduction UNESCO,2014-10-27 *Healing Trauma* Kitty K. Wu,Catherine S. Tang,Eugenie Y. Leung,2011-04-01 This is the first book written on clinical research and work related to the development of applied trauma psychology in Hong Kong Contributed by numerous reputable researchers and clinicians the book covers the latest research on and practice in assessment psychological sequel including psychological distress and growth of traumatic experience evidence based clinical intervention and rehabilitation services for people affected by various traumatic stresses Discussed in detail are interpersonal trauma like child sexual abuse and family violence health and medical trauma such as infectious disease and the pain related to end of life mass trauma and disaster including community psychological support programme developed in Hong Kong and Sichuan as well as the rationale for mainstreaming trauma training in university education This book serves to strengthen the link between research and practice and between academic work and community awareness It is a guidebook for professionals serving the traumatized academics dedicated to research and development of trauma psychology students learning and educators passing on the existing knowledge and experience accumulated for healing trauma *The Essential Dr. Faith* Dr. Faith G. Harper,2024-11-12 If you're like most of us there's more than one aspect of your life that could use some unfucking More often than not the challenges of mental health physical health boundaries sex and relationships are tied together in a big overwhelming tangle And when it comes to sorting ourselves out it's hard to know where to begin But take heart this comprehensive resource from bestselling author Dr Faith G Harper makes that process a whole lot easier Combining the tools and insights from four of her most essential titles Unfuck Your Brain Unfuck Your Body Unfuck Your Intimacy and Unfuck Your Boundaries this omnibus empowers you to tackle all parts of your life on your way to becoming your best self If you're new to Dr Faith's work this is the perfect introduction to her accessible funny science based approach to getting your act together **The Trauma Heart** Judy Crane,2017-06-27 The majority of people addicted to substances or process addictions such as relationship disorders eating disorders self harming behaviors gambling or pornography are trauma survivors Many people caught in the web of addiction don't identify as trauma survivors until their personal familial intergenerational and in uterine history is exposed Unfortunately relapse is inevitable without trauma resolution that can only take place once their history is exposed It is only when that happens that the behavior disorders will finally make sense For almost 30 years Judy Crane has worked with clients and families who are in great pain due to destructive and dangerous behaviors Families often believe that their loved one must be bad or defective and the one struggling with the addiction not only believes it too but feels it to their core The truth is the whole family is embroiled in their own individual survival coping mechanisms the addicted member is often the red flag indicating that the whole family needs healing In *The Trauma Heart* Crane explores the many ways that life's events impact each member of the family She reveals the essence of trauma and

addictions treatment through the stories art and assignments of former clients and the staff who worked with them offering a snapshot of their pain and healing

[Your Life After Trauma](#) Michele Rosenthal,2015-03-02 Restoring your sense of self after trauma In 1981 as a thirteen year old child I was given a routine antibiotic for a routine infection and suffered anything but a routine reaction An undiscovered allergy to the medication turned me into a full body burn victim almost overnight By the time I was released from the hospital I had lost 100% of my epidermis Even more importantly I had completely lost myself Now a professional coach who specializes in helping trauma victims rebuild their lives Michele Rosenthal struggled with the effects of medically induced post traumatic stress disorder PTSD for over 25 years before reaching a full recovery Today she is 100% free of symptoms of PTSD In this book she applies her personal experience and professional wisdom to offer readers an invaluable roadmap to overcoming their own trauma in particular the loss of sense of self that often accompanies it If you suffer from the effects of trauma or PTSD whether it was caused by a single incident like a car accident or from chronic childhood abuse domestic violence illness or war trauma you are well aware of how disconnected you feel from the person you most deeply wish to be Trauma interrupts even hijacks your identity To cope you may rely on mechanisms to keep your emotions triggers and responses in check but these very habits can often prevent the true restoration of safety stability and inner connection How can you rediscover your sense of self so that you honor who you were before the trauma even if that trauma began at birth understand who you are at this very moment and determine who you want to be going forward Like a therapist in your back pocket *Your Life After Trauma* guides you in finding answers to these tough questions Expertly written by a helping professional who keenly understands the post trauma identity crisis that is so common among trauma and PTSD sufferers it is a simple practical hands on recovery workbook Filled with self assessment questionnaires exercises tips and tools not to mention insightful personal and professional vignettes it takes readers through a step by step process of healing the identity crisis from understanding some of the basic brain science behind trauma and why you feel the way you do to recognizing who you were or had the potential to be before the trauma who you are today after the trauma and who you want to become With this book by your side it is possible to regain a sense of calm confidence and control on your road to recovery
