Three Wise Men:

The Three Wise Men Charles River Charles River Editors, 2017-12-19 Includes pictures Includes Biblical and other accounts of the Magi Includes a bibliography for further reading In almost every nativity scene today are shown three kings presenting gifts to the newborn baby Jesus and though everyone is familiar with the Three Wise Men they are also some of the most mysterious characters from the Bible According to Scripture they journeyed from an unnamed land to Bethlehem bearing gifts for Jesus Christ and then disappeared They were the first Christian pilgrims they later became the patron saints of travelers and their image is on millions of Christmas cards Nevertheless over 2 000 years later little is known of where they came from and where they went and most of what people think they know about the Magi does not actually come from the Bible but from assorted myths that have emerged over the millennia The Bible does not in fact say that the three men were kings this was a detail added later Most startling of all is that the Bible does not even say that there were three men Moreover it seems unlikely that the Magi were actually present on the night that Jesus was born According to the Book of Luke Joseph and Mary brought Jesus to the Temple in Jerusalem 40 days after Jesus was born which means they had remained in Bethlehem for some time after his birth And when the days for their purification according to the law of Moses were completed they brought Him up to Jerusalem to present Him to the Lord In fact in the course of describing the visit of the Magi the Bible clearly notes there had been time enough for Joseph and Mary to find a house in Bethlehem On coming to the house they saw the child with his mother Mary and they bowed down and worshiped him Then they opened their treasures and presented him with gifts of gold frankincense and myrrh And having been warned in a dream not to go back to Herod they returned to their country by another route These Magi were wealthy and well educated They likely came from Persia but they had been ordered by King Herod to discover the location of Christ purportedly so that Herod could pay homage to the child but in all likelihood to murder the newborn threat to his power Word quickly reached King Herod of the arrival of a new born King of the Jews and since he was understandably unwilling to allow any threat to his own authority Herod was determined to do away with this child He sent soldiers to kill all of the boys that were up to two years old in and around Bethlehem an event known as the Massacre of the Innocents It was a tragic event for many families in the city but Jesus was evidently safe on his way to Egypt with his parents So what exactly is known of these mysterious figures that lived in the time of Christ There is still plenty of intrigue and mystery surrounding the Magi s story but it s apparent they were inextricably linked to that of Herod the Great who ruled over Judea when Jesus was born and who is to this day reviled as the evil king who tried to kill the Christ child during the slaughter of the innocents Herod the king that the Romans had placed on a throne he had no right to was prone to violent rages and extreme paranoia He had a fearsome reputation having already killed his own wife several sons and hundreds of political opponents and is said to have suffered from all kinds of ailments including chronic kidney disease and gangrene Yet there was another side to this brutal king he was the greatest builder in

the history of the land and he left behind magnificent monuments that still dazzle the eye 2 000 years later Who was Herod the Great a murderous madman a brilliant king or both The Three Wise Men The History and Legacy of the Biblical Magi examines the known and unknown about some of the most important figures in the Bible Along with pictures depicting important people places and events you will learn about the Magi like never before **THE THREE WISE MEN** Rudolf Steiner,2017-10-23 Now when Jesus was born in Bethlehem of Judea in the days of Herod the king behold wise men from the East came to Jerusalem saying Where is he who has been born king of the Jews For we have seen his star in the East and have come to worship him These words begin a story that will be familiar to many whether from images on Christmas cards or school nativity plays or more directly from Christian teaching As often with images associated with Christmas they have the power to evoke all kinds of feelings from joy and hope to sorrow and doubt But what do we really know of the birth of Jesus and who were the mysterious wise men that are reported to have visited him In this freshly collated anthology of Rudolf Steiner's lectures complemented with illuminating commentary by editor Margaret Jonas we are offered solutions to the riddles surrounding Jesus's birth and the seemingly conflicting accounts within Christian scripture Could there have been two different births in other words two infants both named Jesus born to two sets of parents From the mystery of the birth we are led to a study of the three wise men who are mentioned in only one of the four Gospel accounts Who were they what was their teaching and what was the meaning of the star they followed And why did they offer gifts of gold frankincense and myrrh to the baby Jesus The Three Wise Men offers solutions to the enigma of the identity and spiritual backgrounds of these magisterial figures and also provides suggestions as to their possible future roles in the drama of human development Featuring colour images this original thought provoking book is a wonderful gift for anyone seeking to understand the birth of Jesus and the wise men from the East The Story of the Three Wise Kings Tomie dePaola,2020-09-15 Tomie dePaola's beloved 1983 classic returns to print just in time for the holiday season Three wise men of the East having seen a new star symbolizing the birth of a great king follow the star to Bethlehem where they present gifts to the newborn Jesus This beautiful rendition of the well known tale is sure to delight young readers *Ebony* ,1965-01 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Aspects of the History of English Language and Literature** Osamu Imahayashi,Yoshiyuki Nakao,Michiko Ogura,2010 The first international conference was held at Chiba University in 13 September 2005 the second one at Nagoya University in 7 9 September 2007 and the third one at Hiroshima University in 28 30 August 2009 P v **Three Wise Men** Alejandro Capuro Meyer,2022 Three Wise Men A Kids Tale tells the story of the Wise Men's journey to Bethlehem This retelling of the journey of the Three Wise Men is inspired by Matthew's Gospel *St. Nicholas* ,1882 **The Three Wise Men** Hilary Douglas Clarke Pepler,1929 **Benjamin D-----, His Little Dinner** ,1876 **The Three Wise Men** ,1949 The Reader's Handbook of Famous Names in Fiction, Allusions, References,
