## **Teen Violence A Global View:**

*Teen Violence* Allan M. Hoffman, Randal W. Summers, 2001 The complexities and tragedies arising from teen violence are problems faced on every continent in the world Fourteen case studies of carefully selected countries representative of every region of the world are presented in this absorbing volume that is the first to examine the causes and possible solutions for the problem of teen violence around the world Students and teachers can make cross cultural comparisons to discover how the problem is viewed in different countries how the problem is changing which factors seem to contribute to the rate of teen violence in almost all of the countries and which are unique to specific countries Readers can also take a fascinating look at the various solutions to the problem that have been proposed and tested throughout the world Each chapter is divided into similar subsections so students can easily compare specific topics among different countries and cultures They will find that the perception of teen violence in different countries does not always reflect the reality They can discover how such factors as drug use family dynamics and educational settings play an important role in teen violence across many different cultures while also discovering the unique settings and situations that contribute to violence in unfamiliar cultures This world view will help build better understanding of how social issues affect all societies *Teen Gangs* Maureen P. Duffy, Scott E. Gillig, 2004-03-30 Contains essays in which the authors examine issues of and responses to teen gangs in fourteen countries including Australia Great Britain Israel Puerto Rico and the United States **Youth Violence** Kathryn Seifert, Karen Ray (Ph. D.), 2012 Print CourseSmart *Street Gangs Throughout the World* Herbert Covey, 2021-07-01 This new third edition provides an update on what is known about street gangs throughout the world and summarizes some of the major works on street gang phenomena It focuses on those countries that have a greater presence in the literature Chapter 1 introduces the reader to the topic of street gangs throughout the world Chapter 2 identifies some of the challenges faced by scholars when studying gangs in different countries Chapter 3 reviews some of the basic research on street gangs in the United States and Canada Chapter 4 covers what is known about street gangs in Europe and Russia Chapter 5 reviews the literature on street gangs in one of the hottest areas of the world for gangs Central America In addition this chapter examines South American and Caribbean gangs Street gangs in Brazil El Salvador Guatemala Jamaica Brazil Mexico Nicaragua Trinidad and other countries are covered The presence of street gangs and gang violence in these and other countries has been identified as a major factor in the mass migration of refugees to the United States Chapter 6 reports on the street gangs of Africa Research on gangs in South Africa goes back decades and the country has a unique history on how gangs evolved Other countries such as Egypt Nigeria and Kenya are developing a body of literature that highlights the distinctive nature of gangs and gang members in these countries Chapter 7 addresses street gangs in Asia including China India Hong Kong post reunification Japan and other countries This chapter provides rare glimpses of gangs in China a relatively secretive country Although different in many ways from gangs in Asia information is also included here about gangs in Australia and New Zealand

Practitioners in the criminal justice and juvenile justice fields will find this book to be a valuable resource *Elder Abuse* Randal W. Summers, Allan Michael Hoffman, 2006 Product Description Addresses key issues facing older people and our entire society Topics include care pathway model guidelines for health care professionals understanding elder abuse in minority populations moral and ethical implications of elder abuse sexual violence against elderly women helping victims and more For public health personnel *HIV and AIDS* Karen McElrath, 2002 Discusses the spread of HIV and AIDS as well as public responses to them in Australia Brazil central and eastern Europe China Haiti Ireland Kenya and Uganda Mexico the Netherlands Spain sub Saharan Africa Switzerland the U K and the U S *Multi-problem Violent Youth* Raymond R. Corrado, 2002 Annotation In the first product of an Advanced Research Workshop held in Cracow Poland from August to September 2000 criminologists psychologists and other professionals cover risk factors assessment issues selected legal and management issues and a conceptual framework for the risk needs management instrument The workshop considered the development of a procedure for assessing risk and needs factors for serious antisocial behavior especially violence by children and adolescents that procedure is intended to become the basis of ongoing international collaborative research projects There is no subject index Annotation c 2003 Book News Inc Portland OR booknews com **Encyclopedia of Juvenile Violence** Laura L. Finley, 2006-12-30 From concerns about juveniles incorrigibility at the turn of the century to school violence in the 1990s adults have attempted to understand control and prevent juvenile violence Yet juvenile violence takes many forms including both violence by juveniles and violence against juveniles and has various causes and consequences Since juvenile violence cannot be understood without examining the social context of a given time this comprehensive encyclopedia provides a historical overview of many significant time periods and offers entries about many types of juvenile violence It covers competing theories of youth violence issues such as gender race and educational status and the criminal justice system s methods for dealing with both victims and offenders over time Additionally several topics that receive little attention in traditional volumes about juvenile violence such as hazing systemic violence in schools peaceable schools are covered in these pages Each entry utilizes current sources making the book as up to date as possible The front and back matter offer important information including a chronological list of significant events related to juvenile violence and book and Web resources Authors represent many different fields including Sociology Psychology Education History Social Work Political Science Policing and English This offers readers a diversity of perspectives and information from a variety of sources Confronting a difficult and often misunderstood subject this encyclopedia is essential to a better understanding of juvenile violence *Migration and Immigration* Maura I. Toro-Morn, Marisa Alicea, 2004-03-30 Annotation The historical social political and economic consequences of migration and immigration in 14 representative countries are considered **Domestic Violence** Randal W. Summers, Allan M. Hoffman, 2002 Presents overviews of domestic violence in thirteen countries around the world including Australia Jamaica Japan Russia and the U S describing perceptions of domestic

violence in each country as well as contributing factors and responses to the problem *Taking Sides* Richard C. Monk, 2002 This debate style reader is designed to introduce students to controversies in race and ethnicity The readings discuss issues such as social identities and cultural conflict immigration segregation and leadership affirmative action and legal issues and new policies This updated edition remains a beneficial tool to encourage critical thinking on important issues concerning racial and ethnic minorities Taking Sides additional support can be found at our student Web site Dushkin Online [www.dushkin.com](http://www.dushkin.com) online *Adolescence*, 2005 **Youth, Crime, and Justice** Clayton A. Hartjen, 2008 Close to half of the world's population is below the age of criminal jurisdiction in most countries Many of these young people are living in poverty and under totalitarian regimes Given their deprived and often abject circumstances it is not surprising that many of them become involved in crime In *Youth Crime and Justice* Clayton A Hartjen provides a broad overview of juvenile delinquency how it manifests itself around the world and how societies respond to misconduct among their children Taking a global rather than country specific approach chapters focus on topics that range from juvenile laws and the correction of child offenders to the abuse exploitation and victimization of young people Hartjen includes specific examples from the United States Australia Spain Switzerland New Zealand Japan India Egypt and elsewhere as he sorts through the various definitions of delinquent and explores the differences in behavior that contribute to these classifications Most importantly his in depth and comparative look at judicial systems worldwide raises questions about how young offenders should be corrected and how much fault can be laid on misbehaving youths acting out against the very societies that produced them

**Bibliographic Index**, 2004 *The Oxford Handbook of Gender, Sex, and Crime* Rosemary Gartner, Bill McCarthy, 2014-05-14 Research on gender sex and crime today remains focused on topics that have been a mainstay of the field for several decades but it has also recently expanded to include studies from a variety of disciplines a growing number of countries and on a wider range of crimes The Oxford Handbook of Gender Sex and Crime reflects this growing diversity and provides authoritative overviews of current research and theory on how gender and sex shape crime and criminal justice responses to it The editors Rosemary Gartner and Bill McCarthy have assembled a diverse cast of criminologists historians legal scholars psychologists and sociologists from a number of countries to discuss key concepts and debates central to the field The Handbook includes examinations of the historical and contemporary patterns of women's and men's involvement in crime as well as biological psychological and social science perspectives on gender sex and criminal activity Several essays discuss the ways in which sex and gender influence legal and popular reactions to crime An important theme throughout The Handbook is the intersection of sex and gender with ethnicity class age peer groups and community as influences on crime and justice Individual chapters investigate both conventional topics such as domestic abuse and sexual violence and topics that have only recently drawn the attention of scholars such as human trafficking honor killing gender violence during war state rape and genocide The Oxford Handbook of Gender Sex and Crime offers an unparalleled and comprehensive view of

the connections among gender sex and crime in the United States and in many other countries Its insights illuminate both traditional areas of study in the field and pathways for developing cutting edge research questions International Perspectives on Violence Florence L.
