Techniques Of Becoming Wealthy:

The Science of Getting Rich W. D. Wattles, 2022-06-10 Wallace D Wattles spent a lifetime considering the laws of success as he found them in the work of the world's great philosophers. He then turned his life effort into this simple slender book, a volume that he vowed could replace libraries of philosophy, spirituality, and self-help for the purpose of attaining one definite goal: a life of prosperity. Wattles describes a definite science of wealth attraction built on the foundation of one commanding idea: There is a thinking stuff from which all things are made. A thought in this substance produces the thing that is imaged by the thought. In his seventeen short, straight-to-the-point chapters, Wattles shows how to use this idea, how to overcome barriers to its application, and how to work with very direct methods that awaken it in your life. He further explains how creation, and not competition, is the hidden key to wealth attraction and how your power to get rich uplifts everyone around you.

Goodreads [Becoming Rich: A Method for Manifesting Exceptional Wealth](#) Genevieve Davis, Now in response to huge reader demand, this latest addition to my magical Course in Manifesting series turns to the subject of money. In *Becoming Rich*, you'll not only learn the precise details of how you can use Magic to transform your entire financial world and start bringing money flowing to you. So why Magic? Only a few years ago I lived in a tiny flat working twelve hours a day in a factory for minimum wage. Today I live in a beautiful home by the sea, often earning more in one month than I used to in an entire year. In this book, you will discover the steps that enabled me to turn my financial life around in this amazing life-changing way. The change in my financial circumstances was so dramatic it makes more sense to describe it as involving Magic than anything else. And when money starts to come tumbling your way in a manner that goes far beyond mere coincidence and luck, you will no longer doubt that Magic exists. Yet my finances were actually the last thing I mastered magically. I felt cursed, blocked, financially stuck for ages. But having got things right once or twice, I went on to discover that even after a lifetime of poverty, money turned out to be the very easiest thing of all to manifest using Magic. And I went on to bring an unbelievable amount of money into my life. If you're jaded by the whole New Age Law of Attraction idea or have become bored by its failure to deliver, this book is for you. Because this is a practical book offering concrete techniques and instructions for bringing wonderful things into your life. You're looking at this book because you need money, and it's now time to bring that money into your life. The plan is to build your knowledge slowly, gradually building on what has gone before, moving on to more complex techniques only once the basics are mastered. So many people fail with Magic and the Law of Attraction because they rush headlong into using techniques, trying to create enormous manifestations, trying to manifest huge sums of money off the bat, but making very simple yet crucial mistakes. When they are disappointed, they imagine they have been duped. The sceptics are right: This is just a load of nonsense. Then they give up, declaring it just doesn't work. But I can assure you it does work, and you can make it work. This book will show you how. My intention is to make sure that *Becoming Rich* will allow you to become a true creator of your own financial life, reawakening and rekindling your belief and interest in
