# Viking Discovery

**Edward Sylvester Ellis**

## **Viking Discovery:**

**The Viking Discovery of America** Helge Ingstad, Anne Stine Ingstad, 2000 Faced with harsh conditions in their Greenland home a group of Vikings took the reins of fate into their own hands With incredible luck skill and fortitude they discovered lands filled with a profusion of wood wild game and fertile land In the sagas that grew from this discovery the lands were given names that resonated with hope and promise Almost 1000 years later a husband and wife team united their talents Intrigued by allusions in the ancient sagas to fabled Vinland they considered the scholarship on Viking culture and technology they studied maps and they researched intensively the prominent theories on Vinland s location And finally their efforts bore fruit when a remote Newfoundland peninsula yielded up a soapstone spindle whorl a Viking ring pin and what had to be the overgrown remnants of over a dozen Viking buildings

**The Viking Discovery of America** Finn Hødnebo, Jónas Kristjánsson, 1991

*American Vikings* Martyn Whittock, 2023-11-07 A vivid and illuminating new history separate fact from fiction myth from legend exploring the early Vikings settlements in North America Vikings are an enduring subject of fascination The combination of adventure mythology violence and exploration continues to grip our attention As a result for more than a millennium the Vikings have traveled far and wide not least across the turbulent seas of our minds and imaginations The geographical reach of the Norse was extraordinary For centuries medieval sagas first recorded in Iceland claimed that Vikings reached North America around the year 1000 This book explores that claim separating fact from fiction and myth from mischief to assess the enduring legacy of this claim in America The search for American Vikings connects a vast range of different areas from the latest archaeological evidence for their actual settlement in North America to the myth making of nineteenth century Scandinavian pioneers in the Midwest and from ancient adventurers to the political ideologies in the twenty first century It is a journey from the high seas of a millennium ago to the swirling waters and dark undercurrents of the online world of today No doubt the warlike Vikings would have understood how their image could be weaponized In the same way they would probably have grasped how their dramatic violent passionate and discordant mythologies could appeal to our era and cultural setting They might though have been more surprised at how their image has been commercialized and commodified A vivid new history by a master of the form

*American Vikings* explores how the Norse first sailed into the lands and then into the imaginations of America

The Vikings Martyn Whittock, Hannah Whittock, 2018-06-22 The popular image of the Vikings is of tall red headed men raping and pillaging their way around the coast of Europe stopping only to ransack monasteries and burn longships But the violent Vikings of the 8th century became the pious Christians of the 11th century who gave gold crosses to Christian churches and in whose areas of rule pagan idols were destroyed and churches were built So how did this radical transformation happen and why What difference did it make to the Vikings and to those around them and what is their legacy today This book takes a global look at this key period in Viking history exploring all the major areas of Viking settlement Written to be an accessible

and engaging overview for the general reader      **The Viking Discovery of America, 985 to 1008** Niels Vinding,2005 This book provides an account of Leif Eriksson s discovery of Vinland and other Viking voyages to Newfoundland The most important contribution of the manuscript is the author s contention that the Greenland Norse did not ballast their knarrs freight ships with loose stones which might shift in heavy waves and imperil the shallow draught vessels Instead they cut large stone blocks beveled at one end to roughly conform to the shape of the hull and laid them between the ribs When loading the ships with a heavy cargo such as timber the Norse would dump some or all of their ballast stones over the side Therefore it might be possible to detect a Norse site by locating a collection of distinctively shaped ballast stones on or near the shore This hypothesis has apparently not been explored by anyone else involved in Norse research in Newfoundland

The Vikings in History F. Donald Logan,2013-11-05 Completely updated to include important primary research archaeological findings and debates from the last decade this third edition of F Donald Logan s successful book examines the Vikings and their critical role in history The author uses archaeological literary and historical evidence to analyze the Vikings overseas expeditions and their transformation from raiders to settlers Focusing on the period from 800 1050 it studies the Vikings across the world from Denmark and Sweden right across to the British Isles the North Atlantic and the New World This edition includes a new epilogue explaining the aims of the book updated further reading sections maps and photographs By taking this new archaeological and primary research into account the author provides a vital text for history students and researchers of this fascinating people      *Understanding Travel Narratives* Jennifer Frost,Warwick Frost,2026-01-14

Highlighting the importance of travel narratives in understanding tourism imaginaries Jennifer and Warwick Frost present global examples of the enduring stories that underpin the way we conceptualise and imagine travel      *Vikings* Andrea Hopkins, Ph.D.,2001-12-15 Presents the history of Viking discovery including travel to Greenland and North America discussing the artifacts found to prove the Norse people settled there at one time      *Voyage to Discovery* Diane P. Ramsay,1992-10-15 Guide to teaching the age of exploration through games songs creative dramatics crafts writing projects and group discussions      *The Discovery of America* John Fiske,1892      **The History of Our Country from the Discovery of America to the Present Time** Edward Sylvester Ellis,1900      *Discovery* ,1929      **Vikings** Time-Life Books,1993 Facts and accounts of scientific discoveries and historic breakthroughs of the Viking era      *Five Discoveries of Harald Sverdrup* Sergei Aleksandrovich Kitaigorodskii,2007      **The Viking Age** Paul Belloni Du Chaillu,1889      *Scandinavian History in the Viking Age* Martin Syrett,2003      Who Discovered America?
