Fairy Tale Retelling 2025 Edition:

Abrasive, Soft and Ecological Kaustav Chakraborty, 2026-01-22 The book in an innovative way interconnects theology media and politics in order to understand masculinity in terms of everydayness virtual circulations cinematic projections musical ramifications and political assertions It not only opposes toxic Indian masculinity but also counterposes the vulnerable masculinities of feminine men and proposes reviving ecomasculinity and such other habitable masculinities The book tries to understand abrasive masculinity as a muscular mentality that drives Indian men to act in certain stereotyped ways Beginning with the anxiety of intimacy that an abrasive muscular mentality creates in relation to Indian men s belongingness with those who are projected as Other women and queer people the volume tries to understand the theological roots of abrasive masculinity along with its routed mediatized avatars Thereafter it shifts its focus to the vulnerable masculinity of soft men who are victimized on account of their effeminacy In an intersectional mode the plight of both feminine cisgender and gay men is critically discerned The book concludes with the counterculture of Indian YouTuber men who are detoxifying the mediatized Movement for Men s Rights in India along with revisiting the ecomasculine folk culture of indigenous India The author argues that in opposition to the culture of cancelling masculinity a habitable masculinity may be unfolded in order to enhance the social habitability of individuals irrespective of their gender and sexuality It deploys social media film music literature folk narratives and personal interviews as a means of interconnecting qualitative and quantitative methodologies The book will be useful for students researchers and teachers from the fields of Gender Studies Media Studies Sociology and Cultural Studies It will also appeal to those interested in the culture of masculinities in India Dragons,

Briars and Blades Emily Michel, 2024-07-18 A bookish prince A fairy bodyguard Duty brought them together and it may yet tear them apart Prince Ebon s heart lies shattered He seeks peace in the enchanting realm of Faerie swearing off the entanglements of love Yet fate spins a chance thread when he discovers a guardian shadow and they strike a deal that will change their lives forever For Sarsa the first rule of espionage rings clear feelings equal failure Entrusted with the prince s safety she finds herself wrapped in a tapestry of deceit forced to play the role of lover to shield him from harm Her future her home and one hundred years of peace are on the line Despite Ebon s resolve and the bitter lessons of his past an undeniable attraction blooms between the prince and the prickly fairy Their charade evolves into something real and tangible and Sarsa stands at the crossroads of duty and desire When the threat to the prince remains hidden will the answer unravel their fragile bond or will destiny forever entwine the strands of their love Dragons Briars and Blades is the second standalone volume in the Lorean Tales fantasy romance series If you like cinnamon roll heroes Sleeping Beauty retellings and fake dating Emily Michel s captivating story will leave you spellbound **The Macmillan Treasury of Nursery Stories**, 2000 A

Development in Individuals with Special Educational Needs Yuan Chen, Mingshuang Li, Xinyue Qiu, 2026-02-16

Individuals with special educational needs SEN including those with hearing impairments autism spectrum disorders intellectual disabilities specific learning difficulties visual impairment physical impairment attention deficit hyperactivity disorder mental illness and specific language impairments often experience unique challenges in processing spoken language. These challenges can affect their ability to understand and produce language leading to significant impacts on their social skills emotional well being and educational outcomes. Understanding the nuances of speech perception how individuals discern and make sense of sounds is crucial for developing effective interventions and support strategies. This Research Topic aims to explore the various dimensions of speech perception and language development in individuals with SEN. Key areas of interest include but are not limited to the following:

- Theoretical Frameworks:** Investigating theoretical models that explain how individuals with SEN perceive speech sounds and how these processes differ from typically developing peers. This includes exploring auditory processing theories and their implications for language acquisition.
- Assessment and Diagnosis:** Examining the tools and methods used to assess speech perception and language skills in individuals with SEN. This includes evaluating the effectiveness of standardized tests versus dynamic assessments that consider individual learning profiles.
- Intervention Strategies:** Identifying evidence based practices and innovative approaches that support speech perception and language development. This may encompass speech therapy techniques use of technology and assistive devices tailored educational programs family education strategies and community supporting resources that foster communication skills.
- Artificial Intelligence Applications:** Utilizing AI technologies such as speech recognition technology natural language processing computer aided communication systems etc to develop individualized educational programs improve speech perception language development and communication skills of SEN individuals.
- Collect and analyze big data** to understand their outcomes.
- Cultural and Linguistic Considerations:** Addressing the impact of cultural and linguistic diversity on speech perception and language development. This includes exploring how bilingualism dialects and cultural norms influence communication and learning in individuals with SEN.

Through this Research Topic we seek to create a collaborative platform for researchers educators clinicians and policymakers to share insights research findings and practical strategies. By enhancing our understanding of speech perception and language development in individuals with special educational needs we can contribute to more inclusive educational environments and improve the overall quality of support provided to this diverse population. We invite contributions that highlight innovative research case studies and theoretical advancements that will inform and inspire future practices in this vital area of study.
