The First Partner Hillary Rodham Clinton:

The First Partner Joyce Milton,2000-05-03 America s most controversial First Lady is profiled in this provocative probing biography a meticulously detailed look at Hillary Rodham Clinton s life from her Midwestern childhood to her tumultuous White House years of photos *Bill and Hillary* William H. Chafe,2012-09-04 In *Bill and Hillary The Politics of the Personal* the distinguished historian William H Chafe boldly argues that the trajectory of the Clintons political lives can be understood only through the prism of their personal relationship Each experienced a difficult childhood Bill had an abusive stepfather and his mother was in denial about the family s pathology He believed that his success as a public servant would redeem the family Hillary grew up with an autocratic father and a self sacrificing mother whose most important lesson for her daughter was the necessity of family togetherness As an adolescent Hillary s encounter with her youth minister helped set her moral compass on issues of race and social justice From the day they first met at Yale Law School Bill and Hillary were inseparable even though their relationship was inherently volatile The personal dynamic between them would go on to determine their political fates Hillary was instrumental in Bill s triumphs as Arkansas s governor and saved his presidential candidacy in 1992 by standing with him during the Gennifer Flowers sex scandal He responded by delegating to her powers that no other First Lady had ever exercised Always tempestuous their relationship had as many lows as it did highs from near divorce to stunning electoral and political successes Chafe s many insights into subjects such as health care Kenneth Starr welfare reform and the extent to which the Lewinsky scandal finally freed Hillary to become a politician in her own right and return to the consensus reformer she had been in college and law school add texture and depth to our understanding of the Clintons experience together The latest book from one of our preeminent historians *Bill and Hillary* is the definitive account of the Clintons relationship and its far reaching impact on American political life [American First Ladies](#) Lewis L. Gould,2014-02-04 This volume presents thirty nine interpretive biographical essays on all first ladies from Martha Washington to America s newest First Lady Laura Bush This new edition contains updated material on all the living First Ladies and updated bibliographies for each entry as well as a portrait of the newest First Lady *Donkey Cons* Lynn Vincent,Robert Stacy McCain,2006-04-02 There is a double standard for Democrat and Republican criminals An irresistible book that reminds us what the New York Times wants us to forget David Horowitz Publisher FrontPage Magazine Shameless bribery Illicit sex Sweeping corruption The Democratic Party is like the Gambino mob but with matching federal funds In this raucous head spinning look at the follies and felonies of today s most famous and infamous liberals journalists Lynn Vincent and Robert Stacy McCain chronicle for the first time the rampant crime sex and corruption of the Democratic Party *Donkey Cons* reveals How corrupt Democrats in Congress outnumber corrupt Republicans by as much as three to one How Franklin Roosevelt Harry Truman and John F Kennedy were elected with the help of the Mob What two eyewitnesses said about JFK s obsession with hookers How union operatives take from working families to deliver millions of dollars to Democrats How

Democrats in the 1990s covered up a conspiracy one expert called the largest incidence of obstruction of justice in American history Why Democrats ignore crime victims and take the side of rapists robbers and cop killers then stump for the right of felons to vote From bribery kickbacks and sex scandals to espionage terrorism and rape what was once the Party of the People has become a party with an appallingly long rap sheet And this hard hitting sad but funny expos of the crimes of the Democratic Party finally puts all their misdeeds into perspective Thoroughly researched using outrageous anecdotes and intimate details Donkey Cons shows that the serial corruption of the Clinton presidency wasn't an anomaly but a developing unnerving pattern in the modern Democratic ethos These are the stories the Democrats don't want you to read **Hillary Rodham Clinton** Gil Troy,2006 Chronicles the life of former first lady Hillary Rodham Clinton focusing on her activities during the ten years leading up to her national prominence and her influence on her husband's presidential administration *Real Life at the White House* John Whitcomb,Claire Whitcomb,2002 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company The 20th Century A-GI Frank N. Magill,2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography The Modern American Presidency Lewis L. Gould,2009 The Modern American Presidency is a lively interpretive synthesis of 20th century leaders filled with intriguing insights into how the presidency has evolved as America rose to prominence on the world stage Gould traces the decline of the party system and the increasing importance of the media resulting in the rise of the president as celebrity 36 photos *Hillary* Karen Blumenthal,2016 Always aim high work hard and care deeply about what you believe in And when you're knocked down get right back up and never listen to anyone who says you can't or shouldn't go on Hillary Rodham Clinton As a young girl growing up in the fifties Hillary Diane Rodham had an unusual upbringing for the time her parents told her You can do or be whatever you choose as long as you're willing to work for it Hillary took those words and ran Whether it was campaigning at the age of thirteen in the 1964 presidential election receiving a standing ovation and being featured in LIFE magazine as the first student commencement speaker at Wellesley or graduating from Yale Law School she was always one to stand out from the pack And that was only the beginning From First Lady of the United States to the first female Senator of New York and most recently as the United States Secretary of State An activist all her life she has been devoted to health care reform child care and women's rights among others *The Presidential Companion* Robert P. Watson,Anthony J. Eksterowicz,2006 Bringing together the work of notable historians political scientists and sociologists The Presidential Companion Readings on the First Ladies offers a

collection of essays that demonstrate the political relevance of first ladies throughout U S history and the dramatic expansion of their power during the twentieth century With a foreword by Hillary Clinton s former chief of staff Melanne Verveer this anthology fills a gap in scholarship about the position of first lady and reveals the political acumen and activism of a number of the holders of this unofficial executive office

Notable Speeches in Contemporary Presidential Campaigns Robert V. Friedenberg, 2002-03-30 Though many studies of contemporary campaigns focus on brief political advertisements and the growing impact of technology on contemporary campaigns the definitive statements of most candidates are still made in public addresses Friedenberg examines the first public address made by an American presidential candidate on his own behalf The circumstances giving rise to William Henry Harrison s 1840 address and the themes that he developed in that address are strikingly contemporary serving as an appropriate prelude to the examinations of contemporary political speaking that follow Those examinations focus on notable campaign speeches by John F Kennedy Barry Goldwater Richard Nixon Ronald Reagan Bill and Hillary Clinton and George W Bush Each study examines a key event that foreshadowed the speech studied Each study presents a rhetorical biography of the speaker including a discussion of the speechwriting team and preparation techniques utilized by the speaker Each study presents a thorough study of the campaign context in which the speeches were presented Each also presents a close reading and rhetorical analysis of the speech itself and observations on the impact of the speech Cumulatively Friedenberg s studies help to illustrate how even in today s high tech political environment of 30 second ads and candidate Web sites public speeches continue to play a crucial role in political campaigning
