Guide to Reference Books, 9th Edition Eugene Paul Sheehy,1980 International annotated bibliography of reference books includes sections on 1 general reference works bibliographies dictionarys library resources official publications etc 2 the humanities 3 the social sciences 4 historical and geographical aspects by country and 5 pure and applied sciences

Handbook of American-Jewish Literature Lewis F. Fried,Gene Brown,Jules Chametzky,Louis Harap,1988-01-26 The title is perhaps a bit deceptive for this is assuredly more than handbook might indicate Fried s anthology is a truly complex work bringing together eighteen essays of mostly uniform high quality and masses of bibliographic resources to present a comprehensive overview Fried s book does not present the original works themselves but rather culls mostly outstanding essays on the prose poetry drama and literary criticism produced by Jewish writers in America from the final decades of the last century to the present

Studies in American Jewish Literature Focusing on the Jewish contribution to American writing this guide offers a comprehensive view of Jewish identity and experience in American society together with important bibliographic information for the scholar or researcher In eighteen essays written by a distinguished group of specialists it provides a wealth of fact interpretation and commentary relating to American Jewish literature criticism and other writing published since the 1880s In his introduction Fried reviews the history of American Jewish writing and the major social moral and political concerns that have affected it The essays that follow focus primarily on the literary culture created by Eastern European Jewish immigrants and their children as they shaped and were shaped by their experiences in America The first several chapters look at American Jewish fiction from 1880 to the present Drama and autobiographical works also are discussed as are American Yiddish poetry criticism and other writing Other chapters assess the influence of theology Zionism and the Holocaust on American Jewish writers as well as the relationship of their works to

other literatures and international critical perspectives Themes that are explored from several perspectives include the relevance of the diaspora to the American Jewish literary imagination the forging of multiple loyalties and reconciliation into an American Jewish culture and the making of an American Jewish identity The Jewish Teachers Handbook Audrey Friedman Marcus,1980 Guide to Reference Books Robert Balay,Vee Friesner Carrington,Murray S.
