Splinters A Novel:

Splinters Chris Wallace-Crabbe, 1981 *Splinters* Leslie Jamison, 2024-02-20 From the New York Times bestselling author of *The Recovering* and *The Empathy Exams* comes a blazing unputdownable memoir Mary Karr author of *Lit* the piercing intimate story TIME Magazine of rebuilding a life after the end of a marriage an exploration of motherhood art and new love Leslie Jamison has become one of our most beloved contemporary voices a scribe of the real the true the complex She has been compared to Joan Didion and Susan Sontag acclaimed for her powerful thinking deep feeling and electric prose But while Jamison has never shied away from challenging material scouring her own psyche and digging into our most unanswerable questions across four books *Splinters* enters a new realm In her first memoir Jamison turns her unrivaled powers of perception on some of the most intimate relationships of her life her consuming love for her young daughter a ruptured marriage once swollen with hope and the shaping legacy of her own parents complicated bond In examining what it means for a woman to be many things at once a mother an artist a teacher a lover Jamison places the magical and the mundane side by side in surprising ways The result is a work of nonfiction like no other an almost impossibly deep reckoning with the muchness of life and art and a book that grieves the departure of one love even as it celebrates the arrival of another How do we move forward into joy when we are haunted by loss How do we claim hope alongside the harm we've caused A memoir for which the very term *tour de force* seems to have been coined *Splinters* plumbs these and other pressing questions with writing that is revelatory to the last page full of linguistic daring and emotional acuity Jamison a master of nonfiction evinces once again her ability to stitch together the intellectual and the emotional with the finesse of a crackerjack surgeon NPR *The New Italian Novel* Zygmunt G. Barański, Lino Pertile, 1997-01-01 Since the late 1960s there have been many important Italian writers whose work remains unknown outside Italy This ground breaking book offers general critical introductions to fifteen contemporary novelists whose work is of an international calibre *Splinters* Richard Baines, 1998 An anthology that offers students the opportunity to enjoy investigate respond to and write short stories by meeting them in their shortest forms Each story is accompanied by activities Fragments to inspire talk about the pieces Chips for consideration of the technical devices that drive the story Scraps a workshop for imaginative writing and creative thinking

Splinters Chris Wallace-Crabbe, *Transitional Morphology* Elisa Mattiello, 2022-12-08 Combining Forms CFs are a major morphological phenomenon in Modern English yet while they have been discussed in some morphological literature no full length study has been devoted to this topic so far This pioneering book addresses that gap by providing a framework in which CFs are marked as distinct from their neighbouring categories such as abbreviations and blending It splits CFs into four distinct categories neoclassical e.g. bio therapy zoo logy abbreviated e.g. e reader econo politics secreted e.g. oil gate computer holic and splinters e.g. docu from documentary in docudrama It shows that the notion of CF spans a wide spectrum of processes from regular composition to abbreviation from blending to analogy and schema Modern and emerging English

CFs are analysed by adopting a corpus based approach and measuring their realised expanding and potential productivity

Comprehensive yet accessible it is essential reading for researchers and advanced students of morphology English historical linguistics corpus linguistics and lexicography

Splinters Susan Bird, 2015-10-16 *Splinters* is the second book of the trilogy *Unhinged Fences* As the author my first novel started me on a path for the second book of the trilogy describing what follows after a destroyed American dream As in *Unhinged Fences* we see the torn down scenario of the white picket fence that so many women seem to long for I wondered should I write about the real life drama of broken dreams the Susan Hayward of it all the splinters in life so to speak I felt compelled to do so and thus the title *Splinters*
