Social First Brands Tom Miner, 2025-07-03 As platforms come and go features fall in and out of fashion and consumer preferences change brands need to understand how to build social media strategies that transcend trends and create genuine connection In Social First Brands expert Tom Miner explores how brands who put their social media front and center in their marketing efforts are reaping the benefits building genuine communities with their customers and developing true brand loyalty With many brands seeing social media solely as a way to mass promote their products brands who really put social at the front and center are able to connect with consumers in authentic ways creating audience empathy and emotional resonance By understanding how social media speaks to human behavior brands who put social first are able to move beyond quick wins and hacks and create genuine connections and conversations between brand and customer delivering real value From understanding the steps for creating a social media strategy that is bespoke choosing and developing the right personality for your brand on social media or understanding how to create content that is consistent this book covers everything you need to know to ensure your brand's socials generate loyal fans With real world examples from companies such as Crocs Stanley Funko and Ryanair use this book to ensure your social media strategy creates real impact

From Zero to 100K Followers: TikTok Organic Strategy Maya Colton, 2026-03-11 Building a TikTok audience from nothing is less about luck and more about understanding the deliberate mechanics behind organic growth This book explores how creators move from complete obscurity to substantial engaged followings not through viral accidents but through systematic content strategy and precise algorithmic alignment It examines the underlying patterns behind accounts that compound their reach consistently revealing how niche positioning content rhythm and audience signal management interact to accelerate organic discovery Rather than presenting a shortcut this book investigates the tension between creative expression and strategic discipline reframing assumptions about what it genuinely takes to construct a loyal TikTok audience in 2026 It explores how solopreneurs independent creators and emerging brands can design content operations that function with intention sustain posting consistency and facilitate audience growth without paid amplification The book examines how platform intelligence applied systematically from the very first post transforms an empty account into a compounding asset one that operates independently of advertising budgets and trend dependency
