Case Studies Fairy Tale Retelling:

A Cultural History of Fairy Tales in the Modern Age Andrew Teverson, Anne E. Duggan, 2023-11-02 Part six of a six volume set *The Modern Age 1920 to the present* In a work that spans 2 500 years these ambitious questions are addressed by over 50 experts each contributing their overview of a theme applied to a period in history With the help of a broad range of case material they illustrate broad trends and nuances of the fairy tale in Western culture from antiquity to the present Individual volume editors ensure the cohesion of the whole and to make it as easy as possible to use chapter titles are identical across each of the volumes This gives the choice of reading about a specific period in one of the volumes or following a theme across history by reading the relevant chapter in each of the six

Tales for Fairies Alba Morollón Díaz-Faes, 2026-01-13 A groundbreaking exploration of how classic fairy tales have been transformed to illuminate and celebrate queer identities This scholarly account provides a trailblazing examination of how contemporary authors artists and creators have reclaimed the fairy tale for queer audiences Alba Morollón Díaz-Faes examines the queer threads in classic fairy tales like those in the works of Giambattista Basile the Brothers Grimm and Marie Catherine d'Aulnoy while tracing how queer communities have reshaped these stories to reflect changing social and political realities from the 1990s to the present This comprehensive study historicizes three periods of queer transformation of the fairy tale the first wave of fairy tale publications for a predominantly gay male readership in the 1990s a second wave in the 2000s that navigated queer politics through nuanced tales of monstrosity and heroism and a third wave in the 2010s of online queer communities circulating creative contestations to Disney's fairy tales With case studies from film to text to social media Díaz-Faes demonstrates how the inherent fluidity in fairy tales allows for the amplification of queer voices and experiences Ultimately *Tales for Fairies* not only reveals the long standing compatibility between queerness and the fairy tale but also charts an evolving landscape where imagination activism and retelling intersect to create a vibrant tradition of queer enchantment

Whose Story? Maria González Davies, Riitta Oittinen, 2008 This book is based on the discussions carried out in two seminars on the translation of children's literature coordinated by Maria González Davies and led by Riitta Oittinen The main focus finally revolved around four questions a Tackling the challenges posed by translating children's literature both picturebooks and books with

illustrations and the range of strategies available to solve specific issues b the special characteristics involved in reading aloud its emotional dimension and the sphere it occupies between private and public reading c the interpretation and manipulation of child images and d the role of the translator publishers and mediators as active or passive agents whose decisions may finally mirror the images projected by the authors of the source books This volume is also professionally oriented and presents examples that underline the interaction between theory and practice The topics range from Bible translation to translating the classics such as Beatrix Potter TM s tales and fairytales fantasy worlds for young adults as depicted in Tolkien TM s The Lord of the Rings or novels such as those by Christine N stlinger as well as stories with a psychological and social function such as the African war tales Finally it includes didactic applications that help enhance an awareness of the issues involved
