After London; Or, Wild England Richard Jefferies, 2023 One could consider Jefferies book to be a groundbreaking piece of post apocalyptic literature After a sudden unexplained tragedy has killed out the majority of England s population the countryside returns to its natural state and those who are left choose a fairly archaic way of life The first section The Relapse into Barbarism is a description of the loss of civilization and its consequences by some subsequent historians It features a lovely depiction of how nature reclaimed England The second chapter named Wild England is an adventure that takes place in a culture and environment that are both wild and takes place many years later The book s flaws are more than made up for by the great writing notably the unsettlingly prophetic descriptions of the post apocalyptic city and countryside was released by Cassell Company in 1885 Everything became green in the first spring after London ended The novel After London by Richard Jefferies is considered a classic work of eco apocalyptic literature Jefferies was married in

1874 and relocated closer to London in 1877 while still writing to support his wife and two kids Though he was both unwell and penniless the years from 1882 until his death in 1887 were when he was most creative **After London** Richard Jefferies,2015-11-17 After London can be seen as an early example of post apocalyptic fiction after some sudden and unspecified catastrophe has depopulated England the countryside reverts to nature and the few survivors to a quasi medieval way of life *Seven Days* G. Michael Hopf,2020-09-07 THE WORLD HAS ENDED BUT A FATHER S LOVE ENDURES When the guns went silent and the last bombs were dropped billions were lost and the world had become unrecognizable Nine years later Reid Flynn and his eight year old daughter Hannah live a protected life behind the walls and rules of their small hamlet Deliverance Life is hard there but safe or so Reid thought until Hannah showed the first symptoms of the plague Once someone was symptomatic with the plague they d die in a week s time With the clock ticking and only the rumor of a cure a thousand miles away Reid must leave with Hannah in hopes that he ll find the cure before the end of the seventh day The After Series Box Set (Books 0-3) Scott Nicholson,2015 Always surprises and always entertains Jonathan Maberry V Wars A box set of four books in the bestselling AFTER post apocalyptic thriller series The After Series Books 0 3 When devastating solar storms wipe out the technological infrastructure and kill billions the few survivors struggle to adapt But some among them have changed becoming primal and violent But the mutants quickly evolve into something even more dangerous to the future of the human race Rachel Wheeler and her group of friends find themselves caught between the mysterious new tribe roving bands of scavengers and rogue military units as they carve out a home in the new world After 0 First Light Prequel novella NASA scientists warn of the possible effects of heightened solar activity but the threat is downplayed until it s far too late After 1 The Shock Rachel Wheeler flees the dangers of Charlotte to seek her grandfather s remote compound in the Blue Ridge Mountains She is joined by several other survivors as they fight back against a hostile world After 2 The Echo The survivors discover the mutant Zapheads are evolving by imitating human speech and behavior but the threat of savage violence remains After 3 Milepost 291 As Rachel and the others near her grandfather s compound new dangers emerge including a military unit that has established its own harsh laws Look for the rest of the After books Whiteout Red Scare and Dying Light See what happens five years later in the NEXT series One of the most thrilling writers working today Miss him at your peril Blake Crouch Wayward Pines Nobody thrills like Nicholson does Nobody J A Konrath Origin keywords doomsday fiction post apocalyptic horror survival horror science fiction action adventure Justin Cronin Stephen King zombies zombie book series mutant dystopian Hugh Howey Wool Bobby Adair T W Piperbrook Brian Keene J L Bourne military suspense omnibus discount ebooks futuristic thriller dark fantasy technothriller technological bargain box set cheap ebooks **After London** John Richard Jeffries,2017-11-22 The meadows were green and so was the rising wheat which had been sown but which neither had nor would receive any further care Such arable fields as had not been sown but where the last stubble had been ploughed up were overrun with couch grass and where the short stubble had not been ploughed the weeds hid it

Jefferies novel can be seen as an early example of post apocalyptic fiction After some sudden and unspecified catastrophe has depopulated England the countryside reverts to nature and the few survivors to a quasi medieval way of life The first part The Relapse into Barbarism is the account by some later historian of the fall of civilisation and its consequences with a loving description of nature reclaiming England The second part Wild England is an adventure set many years later in the wild landscape and society

Flowers of Time Mark Payne,2020-10-27 For all of its current popularity contemporary apocalyptic fiction novels set during or after events that devastate the world as we know it is part of a long tradition that includes the Biblical story of Noah the epic of Gilgamesh and the Works and Days of the ancient Greek poet Hesiod as well as the vast array of modern examples In this short essayistic book the author focuses on twentieth and twenty first century fiction in which new forms of life emerge from catastrophe how the survivors adapt to the altered conditions of existence and the various ways in which the past asserts its claims on them both the immediate past of the world that was lost and the deep past of prehistory and imagination that returns with this loss In Payne s view post apocalyptic fiction is political theory in fictional form Instead of producing arguments in favor of a particular form of life it shows what it would be like to live that life In a world in which there is no more capitalism and no more nation state characters have to relearn basic survival skills and return to earlier forms of social life They acquire new capabilities which bring new satisfactions they could not have anticipated in the world that is gone In the post apocalyptic world they disentangle themselves from old ways of thinking and their misconceptions of human happiness In this way Payne argues post apocalyptic fiction is the pastoral of our time The individualism and small scale social relations of post apocalyptic fiction are not naive but instead the necessary ground for choosing the freedoms and capabilities readers would want to see preserved in any future collective that might emerge from them

Perdition's Storm Brian Trent,2025-11-04 ZOMBIES MEET THE MAFIA IN JOHN RINGO S BLACK TIDE RISING UNIVERSE AUTHORED BY A RISING STAR IN SCIENCE FICTION BRIAN TRENT Before the world fell Silvio Cipriano was a contract killer for the Italian Mafia When the H7D3 virus came to Italy Silvio worked to forget his past to build a different future Fighting to protect his loved ones from the zombie hordes he organized the survivors raised them up from the ashes and gave them hope Now a new enemy has arisen Worse than the zombies and bent on conquering the planet one nation at a time they ve set their sights on Italy with no idea what s awaiting them At the publisher s request this title is sold without DRM Digital Rights Management Praise for Brian Trent Brian Trent is one of our very best new writers and now s the time to start reading him Robert J Sawyer bestselling and Hugo Award winning author Once begun Redspace Rising will grip you by the throat like its soldier protagonist grips his many enemies and compel you to read it all the way to its jubilant battered conclusion And you ll be very grateful Locus Gritty action packed and relentless Redspace Rising shows us a dark future in which battles are won but the war is never truly over Trent s follow up to Ten Thousand Thunders surpasses it in every way Andrea Stewart best selling author of The Bone Shard Daughter Ten Thousand Thunders is a remarkable book showcasing

many of Brian Trent's talents. He has created a believable and fascinating future visited it with a plot any science fiction writer would be proud to have created and most important populated it with believable motivated characters. Hats off to the new kid on the science fiction block Mike Resnick. 5 time Hugo Award winner Brian Trent has crafted an ingenious masterpiece of military sci fi. With its fast paced action, double crossing characters and focus on personal identity and memory, Redspace Rising is like a literary sci fi version of the Jason Bourne movie franchise with Brian Trent serving as the virtuoso cameraman documenting the gripping adventures of our proficient but broken hero. Grimdark Magazine Praise for Black Tide Rising. This anthology broadens Ringo's Black Tide world serving up doses of humanity amid the ravenous afflicted. Comedy has a place in this harsh reality and these stories stir adventure and emotion at a frantic clip throughout. Zombie fiction fans will be thrilled. Library Journal Praise for the Black Tide Rising Series. Not only has Ringo found a mostly unexplored corner of the zombie landscape, he's using the zombie frame to tackle a broader theme: the collapse and rebirth of civilization. The zombie scenes are exciting, sure, but it's the human story that keeps us involved. A fine series. Booklist *The Lady of Rapture* Sarah Raughley, 2025-04-29 Penny Dreadful meets The Gilded Wolves in this breathtaking finale to the young adult historical fantasy Bones of Ruin trilogy. For years the elite secret society called the Enlightenment Committee has waited for the apocalyptic force known as Hiva to destroy the world as it has so many times before. What the Committee didn't know however was that Hiva wasn't an event, it was a person. Iris Marlow. An African tightrope dancer with no memories of her past. A girl who cannot die. At least she couldn't die. Until her own friends discovered her one weakness and murdered her once and for all. The world ending threat she posed should be gone too, but there's one more Hiva out there and unlike Iris, this one has no love for humanity. In her absence, this Hiva has taken it upon himself to judge if humanity deserves to live. But when it comes to Hiva's judgment, it is always the same. The ending is always total destruction. And while Iris is dead, she's not gone and after the betrayal that ended her life as Iris, she is now out for revenge. The world's days are numbered. The Cataclysm has begun. **Nova Jones** L. E. The Man Who Lived at the End of the World Robert Davies,2012-12-17 Dark haunting but beautiful One of the best books

I've ever read Not your average apocalypse survival story Armageddon has never been so colourful Watch it unfold through the jaded yet childlike eyes of Silas Stanley a recently escaped psychiatric patient who must travel hundreds of miles across a devastated Britain to find his dying daughter before the world ends Less grim survival and more a one way journey toward redemption The Man Who Lived at the End of the World is a story for those who prefer their apocalypse to be more personal Quite simply one of the most beautiful books I've ever read More depth and dimensions than other post apocalypse books An amazing book Couldn't stop reading it
