their hideout on or near The Butterpot a small mountain about nine miles inland from Ferryland Defying the law and evading all attempts made to capture them they survived on the great caribou herds that roamed the barrens and by raiding the fishing settlements along the coast Known as the Society of Masterless Men their legend is one of the most exciting and daring in Newfoundland s rich and colorful past *The Anthem Companion to Thorstein Veblen* Sidney Plotkin,2017-05-02 Amidst the global financial and political crises of the late twentieth and early twenty first centuries scholars have turned for insight to the work of the radical American thinker Thorstein Veblen Inspired by an abundance of new research social scientists from multiple disciplines have displayed a heightened appreciation for Veblen s importance and value for contemporary social economic and political studies *The Anthem Companion to Thorstein Veblen* is a stimulating addition to this new body of scholarship offering fresh material for ongoing reconsiderations of Veblen as a major theoretical resource for present day debates on epistemology social evolution values higher education capitalist development and politics **The**
