correct information that really works so you'll never again need to yell, feel like your kids control you, or have another meltdown. That's right, you can stop feeling guilt or shame because you're not a parenting expert. With step-by-step instructions appropriate for all ages, toddlers to teens, you'll get down to the nitty-gritty of your child's nature and how to clearly communicate so you'll be consistently effective. This may sound like really high-level stuff, and it is. But as you'll see, it's easy and simple when you know how. The Thinking Chair Find Your Peace TCFP approach gives you the perfect system and guide rails for doing this like a pro. pg 12 This method's wisdom and effectiveness are rooted in what children taught me about themselves: their innocence, motivations, needs, insecurities, their desire to be really good people, along with what gains their love, trust, respect, gratitude, and admiration for teaching them values in a loving and authoritative way that makes them feel really safe. Besides, it's the type of caring attention they crave from adults who are important to them. pg 13 TCFP is based on what kids repeatedly show works for them, not just psychological understandings. Kids just understand it, making them feel secure, thus cooperative. You'll learn how to: 1. transform temper tantrums into Finding Your Peace, 2. nip sibling rivalry in the bud, 3. deal with lying, stealing, and bullying, 4. turn around a strong-willed or obstinately stubborn child, 5. stop defiance and squabbling kids, 6. gain insight into negative behaviors, 7. have open, honest communication with your child, 8. teach accountability for one's actions, 9. encourage positive behavior changes, 10. develop a strong moral compass, positive character traits.

Parents, Teachers, Get COVID RELIEF and SAVVY TIPS for dealing with children, teens at home during this crisis. Survive, pressure-cooker lives with creative ideas for self-discipline projects and scheduling. Learn healthy ways to defuse explosive feelings while relieving stress and anxiety, parents and kids finding peace together.
