Emotional Intelligence Ryan James,2018-04-18 Have you ever wondered why some people seem to get all the good things life offers while others stand on the sidelines and wonder why me Some people will tell you it s ambition IQ and position that

determines life's outcomes. What if I told you there was something within each of us that promises greater happiness and success? It's called Emotional Intelligence and it is available to you by simply reading this book and following the six steps presented in these pages. Feelings are what drives us in life. We do what we do to change how we feel. We buy a luxury car so that we can feel powerful and important. We lose weight so that we can feel beautiful and admired. Although you think you can do things to change or avoid feelings, in truth you already possess those things for which you dream. All you must do is gain awareness and change your perceptions and act on the feelings that will give you greater Emotional Intelligence. It doesn't take wealth, beauty, or brains to increase your Emotional Intelligence. It takes awareness, knowledge, and practice, which won't cost you anything but a little time. So journey with me through the pages of this book and together let's discover how you can have all the good things life has to offer. [Emotional Intelligence Workbook](#) Ronél Le Roux, Rina De Klerk, 2001 [Raising Emotionally Intelligent Children Workbook](#) Rene Robinson, 2022-07-14 Note to Parents/Guardians: This book is for anyone who wants to help children with their emotions. I offer you this book which I wrote after a darling nanna came to me and said, "My granddaughter lost someone a while ago and I don't know how she is coping, and my thought was, 'and you don't know what to do.' Look through this book to see what it contains and decide how it might help you. It can be used as an introduction to emotions so a child can think about their own emotions, not just from pictures. Talk to the child about the book and encourage the child to use it alone or with you in a group or classroom. Remember, it is their book with their own answers, and so it is neither right nor wrong. Be positive and help if or when asked or needed. However you use this, remember it is a tool to assist emotional growth and understanding.
